

2024 | ENCOUNTER PROJECT OUR MARTHA ROOM

Our Martha Room has been Indiana A/G Women's method to help missionaries set up a home while they are back in the States raising funds. In the past we have had a room at the District Office full of home goods where our missionaries could come and "shop" for free.

Our Martha Room is getting a new look! In the future, instead of providing household items, we will be giving gift cards for the missionaries to do their own shopping. Our 2024 Regional Encounter Project will be stocking up on gift cards (\$20 - \$100) to a variety of stores. Please purchase gift cards from stores that are found in most communities so they will be convenient to use. Cash donations will be accepted; we will use them to purchase cards.

STORE SUGGESTIONS:
