Always Open: Service with a Smile

This month kids hear stories about how Jesus demonstrated the importance of serving others.

Often when we serve, we expect something in return. Perhaps someone will do something for us, or we'll get recognized for our service. At the very least, we expect a thank you. However, serving isn't about us.

Today at Kids Connection, we talk about Mark 6: "When you give to the needy do not announce it with trumpets... but do not let your left hand know what your right hand is doing, so that your giving may be in secret." We'll talk about the importance of service even if we don't get credit.

March Theme

Made: Discover Who You're Meant to Be (Individuality)

We'll focus on what it means to be made in the image of God.
