### **KIDS** connection

#### MARCH THEME

**Made: Discover Who You're Meant to Be (Individuality)**

People do not need to be a certain age, from a particular social class, or have a certain position of authority to make a difference. As we'll learn today from the Book of Timothy, anyone can make a difference.

"Don't let anyone look down on you because you are young, but set an example for believers in what you say and how you live." – Timothy 4:12

#### GET YOUR KID CONNECTED!

We invite all children preschool – 6th grade to join Kids Connection during the **9 a.m. service**. For information, contact Chelsea Gilbert (952.935.3550x18 or CGilbert@AllSaintsMtka.org).

New kids are always welcome!

Get the science on climate change and how faith urges us to respond.

At this free event, Paul Douglas speaks about how Christians can take the lead in caring for God's creation.

Mr. Douglas is a respected meteorologist with 35 years of TV and radio experience, an entrepreneur, author, a frequent speaker to community groups and corporations about severe weather and climate trends, and appears regularly on national media outlets.

Invite family and friends for this important talk!

Paul is also the co-author of the book used in the discussion on Sundays at All Saints.

#### WE'RE GLAD YOU'RE HERE

During services, find children's worship bags by Sanctuary doors.

#### CONNECTION CARDS

If you're a guest this morning, we encourage you to fill out the blue Connection Card attached to your bulletin and place it in the offering plate. This helps us connect with you and serve you better.

#### RESTLESS CHILD?

If your child is restless during worship, sound from the service is available in the space outside the sanctuary. Feel free to find an area to sit or spread out!

#### KIDS ACTIVITY BAGS

Bags are available near both entries to the sanctuary and contain a variety of activities to keep younger kids occupied including books, various toys including fidgets, as well as resources for drawing and coloring. Ask an usher for help locating them.
