Pastor's Life

Ty came to know Christ at the age of 10 at a Baptist church he attended with his mother. When he went on to play college football and at Northwestern University, he realized that though he was growing up as a man physically, he had not grown up spiritually since coming to Christ. Rather than a supreme focus on football and academics, his time at NU became centered on attending, learning from, and pouring into multiple campus ministries. Nearing graduation, he realized he wanted to spend his life serving the Lord vocationally. In 2000 Ty married & began working for the Fellowship of Christian Athletes. There after he was employed by a Chicago-land mega church (from which he resigned) & Park Community Church. Desiring to grow in biblical accuracy as a pastor, Ty attended Moody Bible Institute to receive his MDIV. He completed his doctorate through Gordon Conwell Theological Seminary out of Boston. Most important to Ty is how he lives out and handles God's word at home as a husband and father - desiring to live with his wife in an understanding way (1 Peter 3:7), and train up his children in the discipline and instruction of the Lord (Eph. 6:4).

DEVOTIONAL LIFE

Dig deeper into God's Word this week!

PRAY Ask the Lord for help to understand His Word.

READ Read the text 2 times. Also read the chapters before & after the text to gain more context and a broader understanding.

STUDY Look for specific things in the text:

- *What is being said about & actions of God, Christ & the Holy Spirit*
- *What is being said about & actions of others in the text*
- *Who is talking? Who is being talked to? What was the response?*
- *Conditional statements, cause & effect, if/then statements*
- *Repeated words or contrasting words*
- *Emphasis of verbs, strong words, other key words*

CROSS-REFERENCE Use scripture to define scripture for clarity.

SUMMARIZE Review the overall meaning of the text. Was this passage written to...(1) inform me of truth, (2) convict me of sin, (3) inspire me to praise God, (4) help me implement a new aspect of obedience.

RESPOND What does the text say I am to think, understand, do, be, or avoid. What difference does it make if I am a Christian (I have received eternal life in Christ)? What difference does it make if I am not a Christian (I have not received eternal life in Christ)?

APPLY Ask the Lord to show you tangible ways He wants to continue transforming your life. Write down and make a plan for implementing 1 main point of change (or continuing to grow in consistency with current convictions). Remember John 5:39-40 as you study scripture!

MEMORIZE Review the monthly memory passage each day.

WORSHIP Spend time worshipping the Lord outside of Sunday am.

INVESTIGATE Use a bible dictionary to give more understanding for city locations, background information, etc. It may also be helpful to read some of the study notes in your Bible. Look up key words in a Greek or Hebrew Bible dictionary for a more precise meaning.

HIGHLIGHT Use colored pencils to mark themes in your bible. Keep a notebook with a section for each theme, creating a personal set of reference verses for times of reflection and prayer.

→RED = *Truth, Facts*

→ORANGE = *Warning, Sin, Consequences*

→YELLOW = *God, Christ, Holy Spirit*

→GREEN = *Serving Others*

→BLUE = *Obedience*

→PURPLE = *Verbs, Repeated Words, etc.*

JOURNAL Always be biblical in writing out your thoughts, never putting words in God's mouth (Prov. 30:5-6).
