## Pastor's Life

Ty came to know Christ at the age of 10 at a Baptist church he attended with his mother. When he went on to play college football on 2 Big Ten Championship teams at Northwestern University, he realized that though he was growing up as a man physically, he had not grown up spiritually since coming to Christ. Rather than a supreme focus on football and academics, his time at NU became centered on campus ministries. After graduation, he realized he wanted to spend his life serving the Lord vocationally. In 2000 Ty married & began working for the Fellowship of Christian Athletes. Over the course of nearly 10 years he served at 2 larger churches, as a part of his journey to serve a local church. Ty attended Moody Bible Institute receiving his MDIV, after which he also completed his doctorate through Gordon-Conwell Theological Seminary. Ty has served as the Senior Pastor of FLBC since it began in 2011. The most important pursuit to Ty continues to be how he lives out and handles God's word at home as a husband and father.

# DEVOTIONAL LIFE

**PRAY:** Ask the Lord for help to understand His Word.

**READ:** Read the chapters before & after the text to gain more context and a broader understanding...then read the specific text/chapter again.

## **STUDY:**

**(1) GOD / CHRIST / HOLY SPIRIT** (verse-by-verse, complete discussion)

*What does the text literally say about Him?*

*What do we learn/conclude from the text about Him?*

*Where can we find the same themes/names of Him in other texts (**CR**)?*

*How have you seen these themes about Him applied to your life (past)?*

*How should you live, believe, or think differently about Him because of these themes (present & future)?*

**(2) OBJECTIVE ELEMENTS**

*Who is talking? Who is being talked to? What was the response?*

*What are the actions taken by or directions given to people in the text?*

*Are there any conditional statements (because; if/then; so/that; etc.)?*

*Are there any contrasting, strong, or unique words?*

**(3) REPETITION**

*Identify repeated words/themes.*

*What else does scripture say about those repeated words/themes in similar context (**CR**)?*

**(4) TRANSFERRABLE ACTION** – what does this text...

*Teach me to UNDERSTAND/BELIEVE?*

*Suggest I should DO?*

*Require me to BE?*

*Encourage me to SAY?*

*Warn me to AVOID?*

**(5) DISCUSSION SUMMARY**

*What difference does this text make in my life if I am a Christian (I have forgiveness in **Christ**, the indwelling of the **Holy Spirit**, and a secured eternity with **God**)?*

Does this text...

*Inform me of TRUTH – what truth?*

*Convict me of SIN – what sin?*

*Inspire me to PRAISE God – what praise?*

*Help me implement a new aspect of OBEDIENCE – what obedience?*

**(6) APPLY**

*Ask the Lord to show you tangible ways He wants to continue transforming your life. Write down and make a plan for implementing JUST ONE main point of change/belief (or continue growing consistently with current biblical convictions).*
