We are asking that each golfer gather donations for their participation. The goal is for each golfer to raise \$900 or more for this event.**

The best way to accomplish this, is to ask for 18 people to donate \$50 per hole. We would love for you to raise more, but are praying that each person would be able to raise at least \$900. Don’t forget, the top fundraiser will earn an exciting prize. We will also have 2nd and 3rd place fundraiser prizes for 2017.

*Prize brands will be determined by sponsorship and may change names, but will be the same quality.

** Each team member is responsible for raising at least \$150.
