

Team Members

Thank you so much for agreeing to be a team member. Some of you may already have people in mind to start asking for sponsorship and others are thinking that you don't have a clue how to start. We have put together this packet to help make this task a little easier. Once again thank you and if at any time you have any questions please contact us and we will help you in any way we can.

What we are asking you to do®

We are asking that you and three other people that make up your 4-person scramble team to raise \$900 or \$50 per hole (\$3600 per team). This may be a new way to do a golf tournament for many of you so think of it like you would a walk-a-thon, it's quite similar. You will ask people to sponsor you per hole. There are 18 holes on the golf course, so at \$50 per hole you have met your goal. Sponsors are welcome to sponsor you for any amount they desire. Please feel free to raise more if you are able. Each team member is responsible for raising at least \$150. We hope that by participating in this event you will learn more about Extend Global and our ministries and also have a great time.

Your responsibilities®

1. Start finding people who would donate toward your personal \$900 goal.
2. Please try to collect as much money as possible when getting pledges. This will help us with the paperwork after the tournament. You can begin turning your money in as soon as you collect it.
3. Show up at Silo Ridge Country Club on September 23 at 7:30am for registration and with the rest of the money you have raised.
4. Tee off at 8:30am
5. Stay after your round for a great lunch, to collect your prizes, and for a good time.

Suggestions for finding people to donate®

Start with those around you who you know love to golf and/or love missions. If you start asking around we are sure you will find plenty of people out there who fall into this category. Try asking your friends who you know have a heart for missions, even if they don't really play golf. You would be surprised who will say yes. Ask at your church, bible study, office, or your next doctor's visit. You will be encouraged by all of the people who would love to support you in playing. As always, donations are tax-deductible, if you have any questions please feel free to give us a call.

Recommendations for collecting donations®

After you talk to someone and they decide they would like to be a part of this event have them:

1. Fill out all of the information on the donations sheet. Make sure they put down their full address.
2. Try to collect their money at that time. All checks should be made payable to "Extend Global." We will send receipts for all donations.
3. If they cannot pay at that time, let them know that we will be contacting them after the tournament to receive their donation. (However, please make every effort to collect donations before the tournament.)
4. Thank them and let them know if they have more questions they can contact Extend Global.
5. Once you have filled up a donations sheet or have collected any amount of money that you want to turn in you may just contact the Extend Global offices and we will arrange to get that.
6. Bring all of your monies and information from your sponsors to the tournament.
7. Note: Participating golfers who choose to donate to their own fundraising goals will receive a contribution statement for the full value of their donation minus the market value of golf and lunch (estimated at a \$45 value).
