BIBLE BLAST®

Bible Learning And Scripture Training
Kids 4-Years-Old thru 5th Grade

What is “*Kids Blast*”?

Church at the Gate’s Midweek Bible Learning Program for Children

At *Kids Blast*, kids meet together for Bible Learning And Scripture Training through the Bible Blast® Program. Bible Blast® is a motivational, parent-driven, rewards-based program that has a unique blend of both Bible reading and memory work. Each week participants quiz on scripture passages read at home the previous week as a family and also take part in Bible learning activities. In addition, Bible Blast has an excellent memory program with lots of incentives for memorization.

What is the focus of Bible Blast®?

To offer a tool for parents to impress the Word of God on the hearts of their children

Bible Blast® is designed to help parents follow the mandate of Deuteronomy 6:4-9 and teach their children God’s word DAILY:

“These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of your houses and on your gates.”

What does each child need for Bible Blast®?

- (1) *The Picture Bible*
- (2) *The Bible Blast® Manual*

Bible Blast® is designed for families to complete the Bible reading and lesson times together. For this reason, just one Manual and one text is needed per family.

The text used is *The Picture Bible* complete with pictures that are similar to comic strips. *The Picture Bible* covers the Bible from the history of Creation all the way to Paul’s declaration, “ I fought the good fight, I finished my course.”

The Bible Blast® Manual is divided into twenty-four “Blasts.” Each “Blast” correlates to a certain number of pages read from *The Picture Bible* and consists of questions and answers that are divided by age. The program covers the entire Bible in one year. In addition, the manual contains the memory portion of the program, which is also divided into age-appropriate sections.

What ages of children?

Age 4**thru 5th Grade

Bible Blast® is for kids 4-years-old (by September 1st) thru 5th Grade. **However, there are 4-year-olds that are ready to learn in a group setting and others that just enjoy living and breathing. A parent of a 4-year-old can tell if Bible Blast® is for their child or not. Being the brightest or smartest 4-year-old on the planet does not guarantee a great Blast experience.

Blast has built into it an element of competition. Using the analogy of play, consider T-ball. If the child is more interested in the grass near third base rather than playing ball, he is too young. If a four-year-old is CRUSHED when a strike-out happens, maybe one more season would be good for your child to find another age-appropriate program.
