3) Discuss with your parents what your family values are related to drugs and alcohol and write them down here

4) Ask you parents if there is any history in your family or drug or alcohol abuse.

Making a Commitment:

5) ON YOUR OWN write a list of as many reasons as you can for why you choose to stay away from drugs and alcohol.

6) Have your parents ON THEIR OWN write their own list of reasons that they want you to choose to stay away from drugs and alcohol.

7) Share your lists together, (maybe combine them into one). Then finish by having your parents share with you what their expectations, hopes, and wishes are for you in this area.
