PRAISE & PRAYERS!

DASMA outreach is an exciting area to pray for! Pray for all the kids at risk in this area that they can come to know the Lord. This is an area that BND is looking into continuing to expand ministry in and the opportunities are REALLY exciting! Right now there is a weekly outreach but we are praying about raising funds to open a day center. The needs in this area continue to increase and I am very excited about the vision the Lord is giving us! Please join me in praying!!!

FAMILY is just such a blessing to me! Praise the Lord that my beautiful family was able to come to the Philippines over Christmas! Unfortunately Ian and Elizabeth could not join but we are praying they can in the summer! Our time together entailed some family bonding discovering God's beauty on the beach and a Sports Camp with all the Brand New Day family! Thank you also for those who sent donations! SO MANY BLESSINGS!!!

BUBU (the little boy pictured on the right) has been in and out of the hospital for the past two months due to TB, meningitis, and encephalitis. His sister (on the left) spent some time living at BND and is now back with her family. Please pray for healing for this sweet child of the Lord and for his family in this time.

LIN is a sweet girl who was a part of BND. She ran away to return to living on the street. Many habits are hard for street kids to break. Pray that the Lord would lead her back to

Him and keep her safe.

Brand New Day

Pray for all the BND kids, staff, and missionaries and praise the Lord for the work He is doing in and through them all! Also, please pray that the kids would continue to grow in their relationship with the Lord!

ILOG CHURCH is a small church in a river community where many of the kids parents live. Praise the Lord for what He is doing and pray for the families there that they grow in Him!

LANGUAGE SCHOOL is one of the biggest yet most difficult blessings! Praise the Lord for the opportunity I have to study and learn to communicate well and for the great teachers I have! Please pray that I can learn to speak it well and pick it up fast.

FAITH ACADEMY

Please pray that the Lord would continue to use the time I spend there to reach out to the kids. Also, pray that the kids would develop in their personal walk with the Lord and learn to glorify the Lord through their sport as they play many non-Christian teams!

YOU!!! Again, I am so very thankful for all of you who are Prayer warriors and who support the ministry that is going on here in the Philippines. I am consistently encouraged and so blessed by You all! I pray that the Lord continues to sustain you in every way and that you will also continue to grow in your walk with Him as you take steps of faith. Thank you, Merry Christmas, and Happy New Year!!!
