

Setup online giving through Church Center

To setup your online donations on Church Center, simply download the **Church Center** app on your mobile device or visit Glad Tidings' **Church Center** website: <https://gtcarnprior.churchcenter.com>

Once you have the app or you've opened the website, we highly recommend you login to your profile (Created by the GTC Office Admin). You can login using your mobile number (preferred) or email address. Once you enter in your information you'll be sent a 6 digit code on your preferred contact method to enter into the app/webpage. **NOTE: If using email you'll need to open a NEW TAB to retrieve the code from your email server. Navigating away from the page will void the code you are going to receive.**

Once you've logged in, you can navigate to the **Give** tab (in the top right of the website) and follow the steps below.

- Enter the amount you'd like to give and to which fund
- Under frequency select either **One Time** or **Regularly**
 - Fill in the required information – what day of the week, if regularly - how often, etc.
 - If you've not logged in, you'll have to enter in your email as well as your first & last names
- Click **Continue**
- Add your debit/credit card – NOTE: Church Center accepts VISA/MasterCard Debit which are linked to your chequing account.
 - If you've opted to login **Church Center** will securely encrypt and save your payment card for future donations.
- Finally, you can click the "**Give now**" button at the bottom of the form.

That's it! Hopefully, if you've gotten this far on the steps, you have successfully made your first donation online! (YAY!! Celebrate with a nice hot cup of cocoa). Now that you've logged in and setup your giving, you can also use **Church Center** to register for in-person service attendance, and there's more features coming in 2021 to help you stay connected to the Glad Tidings church family, even after COVID is a distant memory.

As always, if you have any questions whatsoever regarding this switchover... or even if you're just feeling the need to say hi, do not hesitate to reach out by email or phone. I (Yeshua) do my best to reply in a timely manner.

I pray God's richest blessings on you and your family over the Christmas season. Chat soon!

Blessings,

YC
