WONDER TRUTH: Jesus Makes Us New

SCRIPTURE: Romans 5

WORD OF WONDER: From 2 Corinthians 5:17

A good friend of mine during college was an amazing gift giver and loved to give big (and sometimes expensive!) gifts, including the latest electronics. This friend was in vocational ministry at the time and earning a very modest income. As much as I appreciated the gifts, I was concerned about how much money my friend was spending, so I asked about it. The secret was that the gifts were certified refurbished items. The items my friend purchased had been sent back to the creators, fixed, and resold at a discounted price—but they functioned as brand new!

Read Romans 5:1–8 and 11. Paul explains that God loves us so much that even while we were still His enemies, He fixed our relationship with Him by sending Jesus to die for us. We cannot make ourselves new, no matter how hard we try. We cannot fix our sin problem on our own. God—our Creator—alone makes us new. And He invites us to lay down the old and receive His new. What are some problems you’ve been trying to fix for yourself instead of taking to the original Creator? What are some remnants of the old self that you’re holding onto?

Because of God’s vast, endless love for you, it’s not up to you to fix yourself (or the world around you!). So, take a deep breath. Lift your eyes to the Father—your Creator—and remember that you are made new!

DID YOU KNOW?

FOUNDATION BUILDING BLOCKS

WHO?

Romans was written by Paul, a man who persecuted Christians before he knew Jesus. After his conversion, Paul devoted his life to sharing the good news about Jesus with gentiles—non-Jewish people. He wrote this letter to the Roman church, the majority of whom are Gentiles.

WHAT?

Romans is Paul's most theologically systematic book. It's filled with explanations of the work of the gospel—God's salvation, His plan, and His invitation to us. Paul often references the Old Testament as he explains God's big story of salvation.

WHERE?

The church in Rome was at the heart of the Roman Empire, where Caesar was declared as the "savior of the world." Gentiles and Jews in the Roman church were called to live out the way of the kingdom of Jesus—the true Savior.

WHEN?

Paul likely wrote Romans in AD 57 while on his third missionary journey. Although it's the first of Paul's letters that we read in the New Testament, it was likely written after he wrote to the Galatians, Thessalonians, and Corinthians.

CONNECTING TO GOD'S BIG STORY:

Paul writes to the Romans about the basics of the gospel—God showed His love for us by sending His Son Jesus, who died for us while we were still sinners. Because of Jesus, we are made right with God and filled with joy!

Spark curiosity and get kids thinking about the wonder of God.

Play Stations

SUPPLIES: dirty objects that can be wiped (such as plate with crumbs or shaving cream, sandal with dirt on it, non-breakable knick-knack that’s dusty, whiteboard with dry-erase marker on it), wet and dry cleaning rags, scissors (prep only), shallow containers of various sizes, Easter grass or packing grass (or shredded paper), coloring utensils

Wonder Ink RESOURCES: Butterfly Sheet, New Creation Coloring Sheet (1 per kid)

Greet the kids warmly and briefly explain the play stations to them. Invite them to play at any of the stations.

Welcome to church! While we’re getting ready to start, you can play at any of these stations to help you get ready for our lesson today. Do you have any ideas about what we’ll be learning today?

Play Station: Clean the Mess

Set up: Set out different objects that are dirty and need to be cleaned. Then set out cleaning rags—some wet and some dry. Examples could be a plate with crumbs or shaving cream, sandal with dirt on it, non-breakable knick-knack that’s dusty, whiteboard with dry-erase marker on it.

Play: Let the kids take turns cleaning and wiping the dirty things with the rags. Encourage them to keep the same rag with the same item if possible.

Play Station: Butterfly and Flower Play

Set up: Ahead of time, print the Butterfly Sheet and cut out the shapes. Set out shallow containers filled with Easter grass or packing grass (for Easter baskets) and small butterflies and flower pictures from the sheet.

Play: Let the kids play with the small butterflies and flowers in the grass, burying them and making the butterflies fly from flower-to-flower in the grass.

Play Station: New Creation Coloring Sheet

Set up: Ahead of time, print one copy per kid of the coloring sheet and set out coloring utensils.

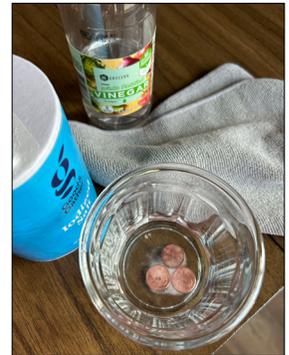

Play: Let the kids color. The kids can also draw a picture of something in nature they think is beautiful (such as flowers, sunsets, etc.).

Curiosity Activity: Clean the Coin

SUPPLIES: tarnished, dirty pennies or copper coins; vinegar (1 cup); cup; salt (1 tsp.), cleaning rag
Gather kids around you and show them the dirty coins. Let the kids hold them and examine them up close.

Look at how dirty these coins are! It looks like they have had years of filth and dirt caked on them! What do you think they looked like when they were new? Allow the kids to respond. They are a totally different color than they were when they were brand new.

Pour 1 cup of vinegar into a cup and add 1 teaspoon of salt. Drop in a few coins and let them sit for a few minutes while you ask the kids to share about a time when they saw a big mess or helped clean up something that was messy. After a couple of minutes, take the coins out and rub them with a cleaning rag until they sparkle and shine. Then hold them up for the kids to see. You can even pass them around for the kids to inspect up close.

Leader Tip: Practice this experiment ahead of time so you know how long it takes for your coins to become clean. Times may vary depending on the environment and the supplies used. If it takes a long time, you may want to have some clean coins available to show the kids.

Look how clean they are now! They almost look brand new. They changed a lot. Today we're going to talk about how Jesus can make us new, kind of like a clean and shiny new coin. We'll learn how God makes us new through Jesus.

Puppet Intro and Curiosity Questions

Wonder Ink RESOURCES: Tac the Cat Picture or puppet

For this section, you can use the cat picture provided, or a stuffed animal cat, or a cat hand puppet.

Leader: You may remember our friend Tac, the curious cat. He's so curious! He has a question for you.

Tac the Cat: Hi, kids! I'm curious about something I saw today that is nice to look at.

Leader: Oh, you're talking about me! I'm blushing!

Tac the Cat: You are pretty. But it's not you that I'm thinking of.

Leader: You're too kind, Tac! So what is it?

Tac the Cat: Well it's an insect ... and I'll give you a hint. It changes a lot. And it flies.

Leader: It changes a lot? And it flies? Kids, do you have any ideas about an insect that changes a lot and flies? (Allow the kids to respond.)

Tac the Cat: Did someone guess a butterfly? If so, you would be right! I'm thinking of a butterfly. I'm curious about them.

Leader: Butterflies are so pretty! I love to watch them. Did you know they don't start out looking like pretty butterflies?

Tac the Cat: Really?! What do they look like before they become a butterfly? And how do they change into something so beautiful?!

Leader: Butterflies transform—that means change—from a small, wiggly caterpillar into a beautiful butterfly. It reminds me of our story today from God’s big story. We’ll learn about how God transforms us into wonderful new creations as well!

Tac the Cat: What do we transform into? Like I could become a tiger instead of a house cat?

Leader: (laughing) No, Tac. God gives us a new heart when we trust in Jesus. We’ll learn all about it in our story today.

Tac the Cat: That sounds wonderful. I’ve gotta go chase some butterflies that I saw flying around. See you later!

Leader Tip: Have some pictures ready either printed or in a slide show to show kids a caterpillar, cocoon, and butterfly to give them imagery of the different stages of a butterfly’s life.

Have you ever been curious about something? Let’s take a moment and think: What bug are you curious about? Allow the kids to respond. **What do you see in nature that makes you curious?** Allow the kids to respond. **Did you ever stop to think about how things change and how God changes us?**

Today’s Wonder Truth is JESUS MAKES US NEW. Today we’ll discover how Jesus loves each of us and changes us!

Prayer of Invitation

Before entering into God's big story, lead kids in a prayer of invitation. Use the prayer here or your own words: **God, thank You for each kid here today. Thank You for Your Word that we can learn from. Thank You for giving us your Holy Spirit to live inside us and guide us. Thank You that You make us new and transform us with the power of the Spirit. God's Big Story

SUPPLIES: Bible

Wonder Ink RESOURCES: Bible Story Picture (optional)

Bible Time Rhyme

Say the Bible time rhyme (with motions) each week before the Bible story to remind kids that what they're about to hear is part of God's big story.

I open my Bible, and what do I see? (Hold your hands together, then open your palms, as if opening a book.)

God's big story, waiting for me! (Point to yourself.)

Let's hear part of God's big story, which comes from the book of Romans in the Bible, which is in the New Testament.

Hold up a Bible and show the kids. Tell them today's story comes from the Bible. Open a Bible and show them where the story is found.

Read the God's Big Story Script provided or read Romans 5:1–8 from the Bible. You can also print the Bible Story Picture to give the kids a visual depiction as you tell the story.

GOD'S BIG STORY SCRIPT

Wonder Ink RESOURCES: [New Creation God's Big Story Video](#)

While I tell the story, you can repeat some phrases I say and mimic motions when I tell you to.

We've learned that sin is anything wrong that we think, say, and do, and sin messed up our relationship with God.

God had a plan to fix His relationship with His people. God sent Jesus to save His people. Jesus died to beat sin forever. But Jesus came back to life! Then He went back to heaven to be with God the Father. More and more people followed Jesus. Paul became a follower of Jesus. He loved telling other people about Jesus. Paul wrote lots of books that are in the Bible. The Bible is God's story, and it tells God's good news! Repeat after me: The Bible is God's story. Encourage the kids to repeat the phrase and hold their hands in front of them, as if opening a book.

Paul traveled around telling people the good news about Jesus. Paul sent letters to people when he couldn't be with them he wrote a letter to people in a place called Rome. He said that all people sin. We all make wrong choices and disobey God. Sin keeps us apart from God and messes everything up.

Sin hurts God and us. We need God to fix our relationship with Him. We cannot do it ourselves. Our bad choices lead us to make more bad choices. Repeat after me: We need God to make us brand new. Encourage the kids to repeat the phrase, and you can add motions such as putting your hands on your heart. Invite kids to mimic the movement.

Paul told people that Jesus fixed our relationship with God. Because of bad choices we make, we're apart from God. Even though we hurt Him and disobey Him, God still loves us. He sent Jesus. Jesus died so that we can be saved and forgiven. Repeat after me: Jesus saves and forgives me! Encourage the kids to repeat the phrase, and you can add motions such as putting your hands in "prayer hands." Invite the kids to mimic the movement.

When we trust in Jesus, God forgives us for all of the bad choices we made. He gives us His Holy Spirit. The Holy Spirit is God's powerful, wise, and loving presence who changes us from the inside so that we can love God and be His true friends. Repeat after me: God wants me to be His friend. Encourage kids to repeat the phrase, and you can add motions, such as giving yourself a hug, for them to mimic.

God promised that someday we can live with Him forever.

Paul said that we will still have hard times. But we can trust in Jesus even when life is hard. The Holy Spirit will help us be more like God and help us obey God. Our relationship with God can be fixed. We can live forever with Him because Jesus makes us new.

Repeat after me: Jesus can make me a new creation. Encourage kids to repeat the phrase, and while you say it, put both arms up in the air over your head with open hands. Encourage kids to mimic your motions.

Connecting the Wonder Truth

Ask the following question to help kids connect the Wonder Truth to God's big story:

Our Wonder Truth today is JESUS MAKES US NEW. Where did you see our Wonder Truth happen in the story? Allow kids to answer freely.

In Paul's letter to the Romans, he said that God showed His love for us by sending His Son Jesus, who died for us while we were still sinners. All of us have done wrong things that separate us from God. Through Jesus, our relationship with God is made right, and we're made new!

Word of Wonder

SUPPLIES: Bible, paper cups (4 per small group), marker, painter's tape, pillowcases or sleeping bags (1 per small group)

Wonder Ink RESOURCES: Created New Word of Wonder Slide or [Video](#) (optional)

WORD OF WONDER

Jesus makes us new.

—from 2 Corinthians 5:17

Ahead of time, write one word from the word of Word of Wonder (Jesus makes us new) on a cup using a marker. You'll need one set for each team or small group. Then tape two lines on the floor of your room on opposite sides of the room. Set out the pillowcases or sleeping bags behind one line and the cups with the Word of Wonder on them at the other end. You'll need one set for each small group. Make sure the words of the verses are scrambled and out of order. Have an adult ready to help kids by reading the words to them.

Display the Word of Wonder Slide or [Video](#), if using. **Our Word of Wonder for the Created New series is from 2 Corinthians 5:17. Let's practice saying the Word of Wonder together.**

Divide the group into teams and set a pillowcase (or sleeping bag) in front of each team. Have them line up at the starting line.

We're going to take turns pretending to be wiggly caterpillars racing down to the other end of the room to get a piece of the Word of Wonder and bringing it back to the rest of the team. The team will work together with a leader to put the pieces of the Word of Wonder in order. The first kid in line will get inside the sleeping bag or pillowcase and wiggle on the ground to the other end. Then he will pick up a piece of the verse, put it in the bag with him, and wiggle back with it. That

person will give the piece of verse to the team and then the next person who will do the same thing. The first team to get all of the pieces and get the verse in the right order wins!

Leader Tip: If a kid is unable to wiggle with the pillowcase or sleeping bag on them, the child can just lay on the ground and wiggle or even roll or “army crawl” to the other end.

We’re kind of like caterpillars who turn into butterflies! When we trust in Jesus, He makes our hearts new like caterpillars turn into butterflies. Just like our Word of Wonder says, we become new creations with God!

Encourage the kids to do the motions and say the verse with you.

- **JESUS**—Point fingers from left hand into right palm, then right hand into left palm (sign language for “Jesus”).
- **MAKES US**—Both hands over your heart.
- **NEW.**—Bring both arms out in front of you and down to your sides.
- **FROM 2 CORINTHIANS 5:17**—Hold your hands together as if opening a book.

Gather kids to discuss these questions:

- **How do we become new creations with Jesus?** (If kids need help, offer ideas such as: We trust in Jesus, and He forgives our sins; Jesus makes our hearts new.)
- **Do you think God changes? How do you think God changes us?**

LESSON AT A GLANCE

WONDER TRUTH: Jesus Makes Us New

SCRIPTURE: Romans 5

WORD OF WONDER: From 2 Corinthians 5:17

Circle Time: Block Questions

SUPPLIES: interlocking connecting blocks or magnetic tiles, bucket

Put some interlocking connecting blocks or magnetic tiles in a bucket and gather the kids to sit in a circle around it. **In our story today, we learned how God makes us new through Jesus. When we trust in Jesus, we can be close to God, and God forgives our sins. We're going to use these blocks (or tiles) to make something new together. We're going to pass around the bucket, and each person will pull out a block. You'll put the block into the middle, and we'll build a shape together until I say, "Stop." After I say, "Stop," whoever is the last person to add a block will answer a question. Then we'll take that shape apart and start over and make something new and do it again.** Encourage the kids to pass the bucket around and take out a block to add to a shape in the middle of the circle. Say, "Stop" periodically and ask questions from the list.

DISCUSSION QUESTIONS

- **What do you think it means for God to make someone new?** (*He changes us; He forgives our sins.*)
- **How have you changed from when you were a baby?**
- **How has God changed you or someone you know?**
- **How does the Holy Spirit help us?** (*The Holy Spirit lives in us when we trust in Jesus and makes us more like God and helps us obey God.*)
- **What is sin?** (*anything we say, think, or do that isn't what God wants; the wrong things we do*)
- **What is the good news about Jesus?** (*Jesus died so that we can be saved and forgiven; Jesus helps us be close with God.*)
- **What is our role in being made new?** (*putting our faith in Jesus; choosing to follow Jesus*)

God's big story tells us that we will still go through hard times in life, even though we walk with Jesus. His Word also tells us that God will give us new strength and help us with His Holy Spirit. When we believe in God and choose to live for Him, He makes us new creations, His friends, and He takes away our sin. Let's talk to God and thank Him for seeing us as new creations.

Invite kids to share prayer requests and praises and to pray for each other. Some kids may not be comfortable praying out loud. That's OK! Encourage them to pray silently and thank God for making us new through Jesus. God hears all our prayers!

Craft: Oyster Shell Treasure

SUPPLIES: thin/flimsy paper plates (1 per kid), coloring utensils, colorful pom-poms (4–5 per kid, in varying sizes), glue, fake pearls (found in the jewelry section at dollar stores, optional)

Wonder Ink RESOURCES: Oyster and Pearl Sheet

Ahead of time, print the Oyster and Pearl Sheet.

We learned about how God sees us as new and beautiful creations when we believe in Him. Do you know how these beautiful pearls are made? Hold up fake pearls or a picture of pearls from the Oyster and Pearl Sheet and allow the kids to respond.

Pearls actually started as a grain of sand! Can you believe something so small, dirty, and ugly, can come out looking like this?! A pearl is formed when a piece of sand gets inside an oyster. It takes between six months to several years for the oyster to make the pearl. In that time, the oyster will cover the piece of sand with a special saliva, or spit, over and over again, making the layers of the pearl. It's a long process to make a pearl.

When we trust in Jesus, God makes us new! When we follow Jesus, God takes away our sin, and He sees us as forgiven, beautiful, and new.

We go from being like a piece of sand to a beautiful pearl in His eyes. To help us remember that we're new creations—like pearls—we're going to make oyster shells with special pearls inside.

Give every kid a paper plate and coloring utensils. **You can color both sides of your paper plate. Once it's colored, fold it in half. Then take a few pom-poms and glue them on the inside. These will be the pearls. When you take this home, every time you look at it, you can remember how God sees you as a new creation like these pearls.** Help the kids glue the pom-poms inside their plates and fold the plates.

Leader Tip: Young kids might need help folding their plates and gluing the pom-poms on. You could “pre-fold” the plates to make it easier for young kids.

Game: Oyster Relay Race

SUPPLIES: tongs (2), cotton balls, bowls or buckets (4)

Remember how oysters turn sand into pearls? You're all going to pretend to be oysters in this game. These tongs will be your shell. Oysters keep the pearls inside their shell, so you're going to use your shell to carry these pearls from one bucket to the other. You'll each take a turn to get as many pearls in your shell as you can. Run to the other bucket and put the pearls (cotton balls) in the bucket. Then run back and give the tongs to the next person in line. The first team to get all their pearls in the bucket wins!

Divide the group into two teams. Give each team a pair of tongs and a bowl of cotton balls. Set another empty bucket or bowl across the room from each team. The goal is for the teams to move all the cotton balls (pearls) from one bucket to the empty one on the other side of the room using only the tongs. Kids

will go one at a time each, take a “tong-full” from the bucket to the other one, and then run back and pass the tongs to the next teammate. The first team to get all their “pearls” in the bucket wins.

Make It Inclusive: For kids who are unable to use the clamp, have a large spoon, scoop, or small shovel that they can use to scoop the cotton balls up and carry them. You may need to help them scoop up the cotton balls.

Remember, you’re like the pearl in the oyster’s shell. God is like the oyster. He changes us and makes us new. Through Jesus, God makes you into His friend and gives you the Holy Spirit to live in you and help you obey Him. God makes us new like the piece of sand becomes a new pearl.

LESSON 5 EARLY CHILDHOOD

Create space for God to remind kids that they are known, loved, led, and their lives can tell of God's wonder.

LESSON AT A GLANCE

WONDER TRUTH: Jesus Makes Us New

SCRIPTURE: Romans 5

WORD OF WONDER: From 2 Corinthians 5:17

Responding in Worship: A New Heart

SUPPLIES: scissors (prep only), red construction paper (1 sheet per kid plus 1), resealable sandwich bag (1 per kid plus 1), washable markers, wet wipes

Wonder Ink RESOURCES: songs from the [Created New Early Childhood Spotify playlist](#)

Ahead of time, cut out hearts from red construction paper—one per kid and one for the leader.

Show the kids as you put the heart in the resealable sandwich bag. **What are some ideas of things that we do that are wrong or sinful and make God sad?** Allow time for the kids to respond.

As they share, write the sins on the outside of the bag with a washable marker, over the heart. **We all make wrong choices. The Bible says we have all sinned. Without Jesus, we can't be close with God because of these things.**

When the heart is covered or the bag is full of writing, take a wet wipe and wipe the bag clean. **But that's not the end. God has a plan for us that allows us to become new and beautiful! God forgives our sins and removes them when we trust in Jesus. Jesus makes us new creations in God's eyes and allows us to be close with Him!**

Pass out hearts, resealable sandwich bags, markers, and wet wipes to kids. Invite them to put a heart in their bag and then to scribble over the bag with a marker to symbolize sin. Then they can take the wet wipe and wipe the marker off and pray as they thank God for forgiving their sins and sending Jesus to make us new. As they work, play a song from the [Created New Early Childhood Spotify playlist](#).

Prayer and Blessing

After the kids finish their activity, pray with them, thanking God for making us new creations.

When I say, "new creation," you can spin around in a circle and throw your hands in the air to praise God for seeing us and treating us as new creations.

God, thank You for making us new creations (kids do the motion) through Jesus. When we put our faith in You, You make us new and forgiven, even though we have done wrong things and sinned. Thank You for loving us so much that You sent Jesus to die for us to rescue us. Help us trust You and follow You as we live as new creations (kids do the motion again). In Jesus' name, Amen.

Encourage the kids to hold their hands out in front of them, with palms up, as if their hands are open to receive something. Tell them to listen and receive the blessing as you speak it over them.

Blessing: May you go today with energy, passion, and excitement—knowing that you are a new creation in Jesus—and may you live in the peace that God gives, even when you go through difficult things!

Closing Game: What Time is It, Hungry Caterpillar?

Have the kids line up at one end of the room. One person—ideally a leader—will stand at the other end of the room with his or her back to the line of kids.

We learned about how caterpillars change into butterflies. When we trust in Jesus, God changes us into new creations. Let's play a game about caterpillars!

Have the kids ask in unison, “What Time Is It, Hungry Caterpillar?” When the kid (or leader) standing at the other end of the room answers with a time, such as “Three o'clock,” the kids will take three steps forward toward that person and ask again. Continue until someone touches the person who is “It” or the person answers, “It's lunch time!” and all kids run to the starting line. If anyone is tagged, they can either become the next It or those tagged can be out and sit down.

Remember, caterpillars don't stay caterpillars! They turn into new creations: butterflies! This game reminds us Jesus makes us new creations when we trust in Him.
