Financial Peace University at South County Church successfully completed its second class! Last Sunday our FPU group continued the journey to change lives and access peace by learning how to manage money in God's ways. Attendees learned how debt is NOT a tool to build wealth and how payments don't need to be a way of life. They learned a new tool to guide elimination of their debt, and how focus, determination and intensity are needed to achieve debt freedom. Attendees also had the opportunity to cut up their credit cards and learn how to close credit card accounts! A pivotal Bible verse for the second lesson was Proverbs 22:7 (NIV), *"The rich rule over the poor, and the borrower is slave to the lender."* Please continue to pray for God to bless this Financial Peace University class with wisdom, patience, and courage!
