Arrive in the west parking lot to place orders and pay.

This year we will be continuing our Lenten Fish Fry tradition in a new way. In order to keep this tradition alive for those of us who are carefully isolating, we will be offering a reduced fish fry menu as drive thru only.

If you wish to bring the form below completed with your order, we will use the paper copy of your form to fill your order more efficiently. Otherwise, volunteers will complete an order form and accept your payment in the West parking lot (Green Bay Road entrance).
