# The Edmonton Bible Institute

**The Sunset International Bible Institute (SIBI), Lubbock, Texas, USA**, began in 1962, It's founder was Cline Payton. The original mission was "Prepare yourself to be a tool of God to take the gospel."

Since 1986, hundreds of congregations have become satellite schools. Satellite Schools are located in 40 states, as well as the following countries: Aruba, Bahamas, Bermuda, Canada, Germany, Ghana, and Trinidad. Satellite Schools have been started in 46 states and in 20 foreign countries (some countries having several schools) with an estimated student body of 2,000+ audit and credit students. New schools are being added on a regular basis contributing to this dynamic growth.

Learn more about the school and what it offers at [sibi.cc](http://sibi.cc).

**The Edmonton Bible Institute** (formerly The Edmonton School of Evangelism), as a satellite school of SIBI, Lubbock TX, is one of the longest established certified schools, having been such for almost 35 years. Preachers that are now serving in congregations throughout North America were trained through EBI. The vision of having such a service that would train both men and women to serve in God's church - to raise up young men to be evangelists, Canadian men for Canadian congregations - was launched, with the support of the Elders, by Herb Anderson, then Pulpit Minister of the Edmonton church of Christ in 1986. Since 2003, the following Evangelists have developed this in-depth Bible Study Program further: David Friesen, Kevin Carson, Tim Johnson, Nate Seecharan, Gerry Bibaud, and Larry Boswell. In July 2017, Norman & Helen Maw decided to serve as the Course Administrators.

The Bible Program consists of 40 courses (each either 12 or 24 DVD lessons), that when all are successfully completed, earns a Bachelor Degree in Biblical Studies. Between 1986 - 2005, 19 members have either been a part of or completed the internship program (then 32 courses, 2 1/2 year program).

After completing the Bible Program, 13 went on to serve congregations full-time as Evangelists. In 2007, it was decided to offer 2-3 courses to anyone interested in the congregation. Since 2007, there have been 17 in-depth Bible courses offered..

Satellite School courses can be taken at three different levels: the audit level, Level II, and Level III. Levels II and III are for credit and receive certificates upon completion. A full curriculum of 40 SIBI courses is available in Satellite Schools, equivalent to the curriculum being offered to the students in the resident school.

At Level III, although the work load for each course will vary, the expectations for each student are to complete the course's memory work, mid-term exam, final exam, assignments, complete study guide workbook, and attend all classes. At Level II, the workload has less memory work, exams, and study guide workbook. As an Audit student, class attendance and filling out the study guide are the requirements. Class attendance is a mandatory requirement.

A husband and wife pair will be covered as one on their registration fees. They do not have to be at the same tuition level. This is to encourage husbands and wives to study together.

We invite you to take part in the following course being offered this September. If you have questions or would like to register, please contact the EBI Administrators or the church office.

Thank you.
