Pastoral Parcel
Centegram January 2026

Arise, shine, for your light has come, and the glory of the LORD has risen upon you.

-Isaiah 60:1, NRSVue

I am blessed, people of Centennial, very blessed to begin the New Year of 2026 with you as your Pastor.

When I started here last March, several of my friends and colleagues jokingly pointed out I was being called right before the most Holy and contemplative season of Lent and Easter. In effect, it was as if being called to join a wrestling organization day one right after basic training and being told I will be responsible for the pay per view main event.

I don't use that wrestling metaphor lightly. There are many roles within this church that I continue to wrestle with including our missions, outreach, and general ministry. Not to mention wrestling with my personal resolutions for 2026 including my physical, mental and spiritual health. I wrestle with how to approach and achieve each of these goals.

January just seems like a month meant for wrestling, right?

It reminds me of Jacob wrestling with God in Genesis 32:24-31.

Imagine being Jacob wrestling with so many challenges at once. Jacob is returning to Canaan after difficult years working for a man named Laban and now must figure out a way to avoid conflict with his powerful brother Esau who most likely bears a grudge towards Jacob for past trickeries. Alone, confused, and stressed, on the eve before he meets his brother and a force of four hundred, Jacob is suddenly challenged to wrestle by a strange man in Genesis 32:24. The stranger wrestles with Jacob, neither side giving ground until the stranger is forced to resort to knocking out Jacob's hip(32:25)!

²⁶...[The Stranger] said, "Let me go, for the day is breaking." But Jacob said, "I will not let you go, unless you bless me." ²⁷ So he said to him, "What is your name?" And he said, "Jacob." ²⁸ Then the man said, "You shall no longer be called Jacob, but Israel, for you have striven with God and with humans and have prevailed." ²⁹ Then Jacob asked him, "Please tell me your name." But he said, "Why is it that you ask my name?" And there he blessed him. ³⁰ So Jacob called the place Peniel, saying, "For I have seen God face to face, yet my life is preserved." ³¹ The sun rose upon him as he passed Peniel, limping because of his hip.

I get some comfort from this little match.

Despite all the unknowns of the future, Jacob didn't sit still. Jacob chose to wrestle, struggling the whole night despite an injured hip. He wrestles with God, just as we wrestle with God in prayer, and finds the way forward. He had the strength to continue and make resolutions for his life and for the future.

Making a New Year's resolution is like entering a wrestling match. Wrestling with our health choices. Wrestling our relationships with friends, family, work, our causes, and our church.

Wrestling with the onslaught of reality, news and media from the little gremlin of a phone we keep in our pockets that daily inspire sorrow, terror, and sometimes delight.

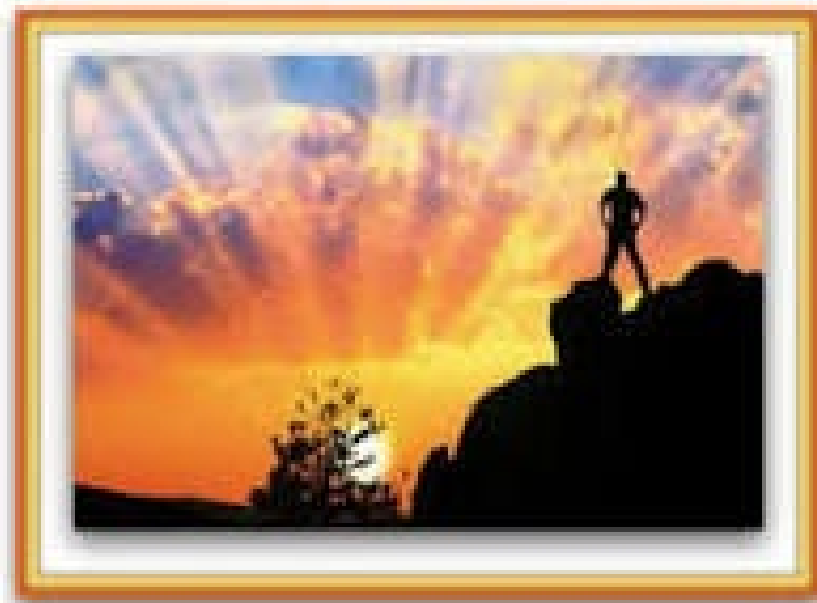

Sometimes we even wrestle with God. Parishioner, pastor, or unchurched alike, we all wrestle with God's place in our lives. We wrestle with the words of a prayer, or wrestle with how the world could be this way. We don't know where to go next, and because of that we wrestle with the Trinity, God, Jesus, and the Holy Spirit.

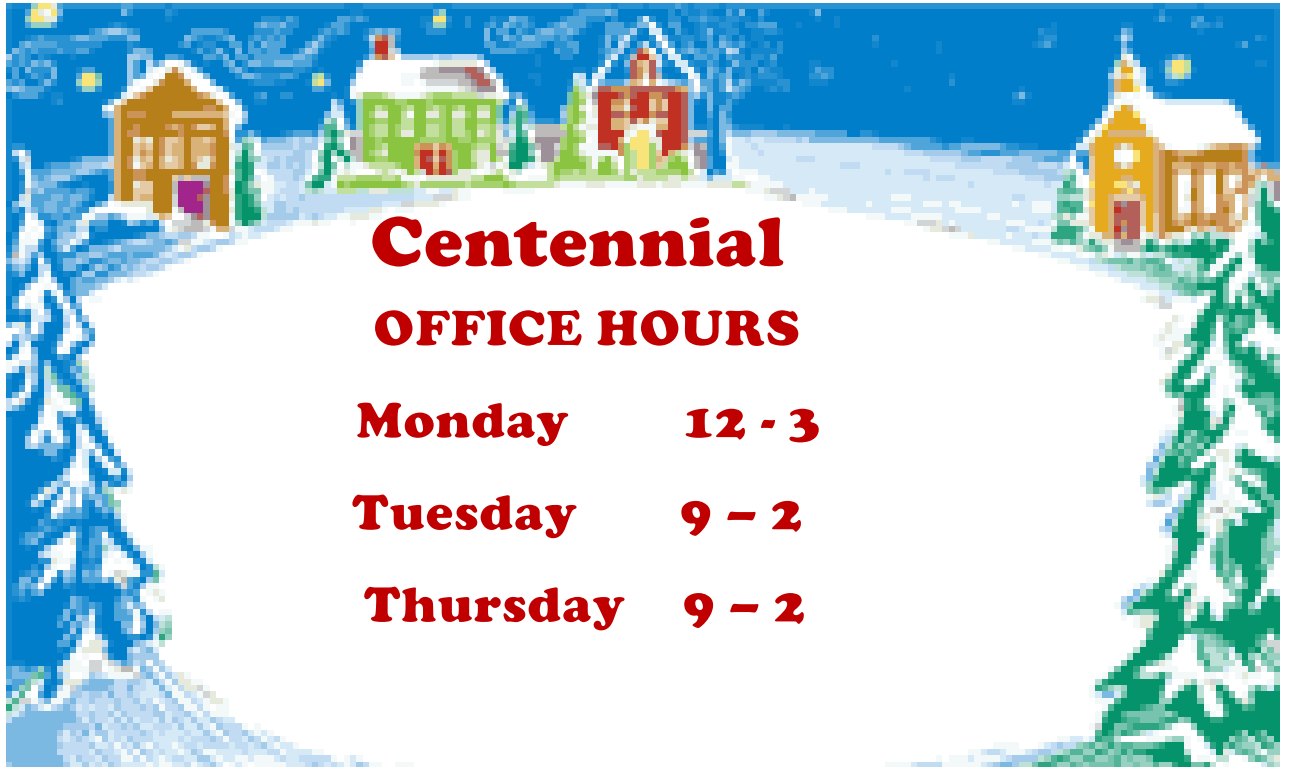

But that is never a bad thing!

When we wrestle with God it means we become prayerfully proactive in our lives. That means powering ourselves up with a willingness to face the future with the love and strength we draw from Jesus. We do not have the answers to what will happen this year, what will happen to our resolutions, or what the 150th anniversary of this church will be in 2026. Yet, we know that if we wrestle, and continue to wrestle, we will continue to see an emboldened daybreak just as Jacob saw! We can say, as in Isaiah, arise and shine, for our light has come, and that Glory of God will drive myself and all of you to do great things.

Let's use this year to wrestle with the many challenges and joys ahead, confident always in the inevitable daybreak.

Amen

Dear Rev. Clements,

Thank you for your recent donation to Orion Communities. Your support and commitment to our mission of helping those in need enables us to continue to provide essential resources to those who are vulnerable and have nowhere else to turn. We can't do it without you!

Orion not only addresses an immediate crisis, but we also help individuals develop the understanding, alternatives, and resources so that everyone can thrive. We offer case management services to build a broader plan toward long-term well-being. We provide children books, after school programs, and a summer camp and we also have targeted seminars for adults who want to develop themselves. With your support, we help close to 2,000 households each year.

We are so grateful for your gift of bedding, coats, gloves, and sweaters received on December 10, 2025.

It ensures that we will be able to continue to provide critical resources that empower individuals and families to move towards increased self-reliance and a brighter future. Thank you for believing in Orion and partnering with us in this important work.

With gratitude,

Margarita Queralto Mirkil
Executive Director

What if your family's next meal depended on the kindness of strangers?

A young mom came into our market and said, "I hope you can help me." Her SNAP benefits had suddenly stopped. When she visited a pantry in a neighboring community, she was turned away because of her address. Out of options and worried about how she would feed her family, she came to us—hoping, but not sure, that we could help.

Our Market Manager immediately welcomed her into our market, and showed her all the fresh food, prepared meals, and other items that were available. She was also set up with a monthly food appointment, which supplies families with two weeks' worth of groceries, diapers, pet food, and essential items.

Relief washed over her face as she realized she wouldn't have to go home empty-handed.

Historic Demand

Over the past few weeks, many new guests affected by reduced or lost SNAP benefits, have come to PACS for help. On Monday, November 10, 2025, we had a record number of shoppers – **328!** – visit the market. Food requests have gone up about 43% compared to this time last year.

Your Gift Brings Relief to Our Neighbors in Need

Give today and help a family breathe a little easier. Your kindness fills empty cupboards, provides diapers for little ones, and brings comfort to neighbors who are doing everything they can to get by. The need won't fade when the holidays pass—families will still be turning to us in the new year, hoping for a little help.

your generosity means the world to us.**

Dear Centennial Evangelical Lutheran Church,

Everyone who works at PACS, whether staff, board members, or volunteers, sincerely thanks you for your November 5, 2025 contribution of \$620.00. Most importantly, we thank you on behalf of our neighbors who we are able to help through your generosity.

Since COVID-19 life has dramatically changed. Cost of living is rising and more people continue to need our services. While it is discouraging to know so many people in the Phoenixville area are struggling to meet life's basic needs and worry how they are going to put food on their tables, your charitableness helps ensure that PACS will be here for them. Our dedication to not only help them through their crisis, but also assist them in getting back on their feet is stronger than ever!

Your neighbors in need - and all of us at PACS - deeply appreciate your support which enables us to continue our mission of helping those facing food insecurity within our community. By reaching out to help, you truly are making a real difference in their lives.

Thank you for supporting our mission and sharing our commitment to positively affect our community, providing hope and building a brighter future for those in need. As the saying goes, sometimes we're tested not to show our weaknesses but to discover our strengths. We are incredibly grateful to be part of the Phoenixville community.

With Gratitude,

Mary Fuller

Centennial Evangelical Lutheran Church
Church Council Meeting
November 25, 2025

In Person: Harry Gladfelter, Makinzie Ackroyd, Karen Winning, Rick Henricks, Randy Ferree, John Miller, Pastor Clements

Via Zoom: Christine Holmes, Dennis Ray, Fred Stoudt

Excused: Sam Kuhl

Harry called the meeting to order at 7:00 PM.

Pastor opened with a scripture reading from Isaiah 2:1-5 and prayer.

The minutes for the council meeting of October 28, 2025 were approved.

Pastor's Report:

- Attended the Bishop's convocation in Malvern. The bishop may have ideas for training lay people. (For example: Steven's Ministry, etc.)
- Officiated at Jessica Mahan's wedding
- Mid-week Lenten services: The first one will most likely be held indoors. The plan is to have the others outdoors with a fire pit for roasting s'mores.
- Pastor has been in touch with Barbara Murphy at the technical high school. She and the high school students, as interns, would be able to help us upgrade our website. They can help us with outreach and demographic research. They will work at the school. They may be able to start in January. Pastor Ian will send them information about our church. If they intern over 120 hours we will have to pay them.

CURRENT BUSINESS:

- Christine researched food handler training and is planning to become certified.
- The Episcopalian woman who wants to use one of our empty classrooms is planning to visit the first week in December to see the room.
- Church Council is looking for new members. Dave Winning has agreed to serve on council, giving us a total of ten. The constitution says we can have twelve. We have four members who must go off of council next year. The constitution does not permit them to serve another consecutive term.
- The Schuylkill Quakers have reached out to us and are offering us a good amount of information about our church. Centennial began as a Quaker religious organization. What is our shared history? We are planning to form a group here to work on this, possibly adding some Quaker members in the future. This will be a historical project. Barbara Ray will be involved. October 4th is when Centennial was named. Next year we will commemorate Centennial's 150th anniversary.
- Harry, Pastor Ian, and Kathy are still planning to meet with Verizon on a possible phone system upgrade. Date to be determined.
- Pastor Ian gave an update on our audio/video situation. What we need now is a foundational set-up which can be upgraded in the future as needed. We need a view of the entire front of the church. The Panasonic G7 is the top of the line. It can stream with very high quality. We do not need to zoom-in yet. The camera would be kept in one place, the shelf at the rear of the church. The control to turn the system on and off could be located outside of the sanctuary. The pastor could train four individuals in how to use it. Funds for an upgraded system have already been built into the budget.

TEAM REPORTS:

Finance: Rick reports income exceeded expenses for the year. Expenses tend to be even. Investments are doing well. If anyone has budget items for the coming year, please submit the information to Rick **before December 18**. If you have questions/input, contact Rick.

Property:

- Fred reports he measured three cracked windows for repair.
- The outdoor Nativity will be up and lit before the first Sunday in Advent.
- The refrigerator in the kitchen had been freezing things. Denis had a repair man in who adjusted the temperature valve and controller. The temperature should be between 36-38 degrees. The temperature will be monitored.
- There was an outdoor clean-up on Saturday (weeding, pruning, window wells) An air conditioner was removed in order to facilitate window repairs. Air conditioner will be returned to it's original location.

Music and Worship:

- John , Karen Hepler, and Pastor Ian met to discuss the 4:00 Christmas Eve service. Ajibola Rivers, the cello player, will be with us again. Jess and Ava will have solos.
- The last Sunday of the year, December 28, we will have a five-person brass ensemble.
- The new green altar paraments have been ordered and are expected to arrive in January.

Evangelism/Faith Development:

- April 25, 2026 is being held for an outdoor Flea Market. This is still in the planning phase. We would need help. Possibly check with the Brandywine Roller Derby? They could be the “people power” of the event. Vendors would bring their own tables.

Missions: Food insecurity continues to be an issue in our surrounding community. Keep pressing to support PACS, Meals on Wheels, etc.

Congregational Life/Hospitality:

- 5th Sunday Combined Services
December 29 – Zion

Palm Sunday is a fifth Sunday, but each church will have a service at their own respective church that day.

- January 15, 2026 - Congregational meeting Christine will check with Larry and Pat about lunch arrangements.

Meeting adjourned at 8:15PM with the Lord's Prayer.

The next Church Council meeting will be Tuesday, December 23, 2025 at 7:00 PM.

Respectfully submitted, Karen Winning
