

Hello CCC Family and visitors!

Thank you for visiting during this unprecedented time of need! **As of July 13th, Governor Newsom has reactivated restrictions for the state including for churches in Los Angeles County. Until further notice, all in-person services, fellowships and Bible Studies will be suspended.**

New guidance is being issued regularly and we know that these steps will help to guide us into wise practices. Please continue to pray that God will continue to be gracious. **It is our hope and prayer that we will be able to meet once again, very soon with commonsense precautions and social distancing in place. Please join us in this prayer!** We know that no matter the circumstances, God is in control! As we do everything we can to protect ourselves, our loved ones and our community, we can put our trust in God to **“work all things out for the good of those who love Him”!** (Romans 8:28)

Please be in prayer! Pray for our church family, our school, our local community and our world! Not only does this illness pose a risk for the elderly and people with underlying health conditions, it is also causing stress, fear and even panic in some and can cause considerable financial burdens. We know that God can and will provide for all of our needs according to His riches in glory!

Please continue to love and encourage one another in Christ! Praise God, viruses cannot travel by video conference, telephone, text or email! Since we will be unable to share a holy hug and greet one another, please take the time to do so electronically! Since so many of us will be housebound, take advantage and share what God has showed you in your devotions (virtual Bible Study!) Most importantly, be positive – God’s Word tells us:

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable--if anything is excellent or praiseworthy--think about such things. - Philippians 4:8 NIV

There are many negative, fearful voices that can trample down our faith and hope - - - God has put us into fellowships just like ours so that we can build each other up!

Please take time to worship! It is God's command that we gather together, not forsaking the We live in a marvelous age! As pastor, I would like to remind all of us how important it is to come before God regularly!

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another--and all the more as you see the Day approaching. - Hebrews 10:24-25 NIV

Join Culver Community for virtual worship! For this week's worship, we will be making a praise and worship playlist available on the music sharing application *Spotify* as well as a prerecorded sermon on our website.

Grace and peace to you in Christ Jesus our Lord,

Pastor Chris Sweeney
