Falls Creek is one of the largest youth camps in the nation, serving over 40,000 students each summer. At camp, students will stay in a cabin with our group and each day get to participate in exciting worship experiences, Bible studies, recreational activities such as sand volleyball, kickball and swimming, and have an opportunity to respond to the Gospel each day. There are numerous other things for your student to do while at camp. Please visit <https://www.oklahomabaptists.org/youth/falls-creek/> for more information!
