2018-2019 Christian Family Commitment

To be *effective in reaching children with the Gospel* in Christian education, St. Paul Lutheran School asks that all families commit to the same values that are taught in the classroom. We expect parents to be faithful in the worship life of a Christian church. Your family support of the items listed below will enable us to **“make a meaningful difference”** in the life of your child.

PLEASE prayerfully acknowledge your Christian commitment and responsibility by signing below. If there are extenuating circumstances, please contact the principal or pastor for an appointment. Please return this form to the school office. Thank you.

_____ **Establish and maintain a Christian home by having family prayer and devotions** together. *Pray* for your child’s teacher and the classroom setting on a regular basis.

_____ Attend *worship regularly* (weekly) with your child(ren). Give a high priority to *Bible study* and be *involved* in Bible class and/or Sunday School.

_____ Be present at *choir performances and choral participation in worship*. Attendance is taken at all events. Children are *expected to be present* when choirs lead in church since this affects the total choir performance. When students must be absent, an alternative assignment option will be provided by the music teacher/choir director

_____ Be a serving family. Offer your *time and talents* as possible to support the school and church activities. All families are asked to give at least 10 Christian service credits per year.

Thank you for being partners with us in Christ so that we might serve you and enable your family to grow in Christian values and faithfulness. God has made us a “family.” The Christian faith is often more “caught than taught” by the children from the parent that God has placed over them.

Please note: At least one parent of each newly enrolling non-member family **is required** to complete the Christian Information Class prior to enrolling for a second school year.

_____ Already completed the Christian Information Class (CIC)

_____ Need to complete the Christian Information Class (CIC)
