

International Global Outreach (G.O.) Team

First United Methodist Church Tuscaloosa has a long and healthy history of assisting our partner missionaries to serve individuals and communities to “The ends of the Earth.” Some missionaries and ministries are supported by prayer alone. Some are assisted with the aforementioned, as well as work teams developed and sent to aid the missionaries on a more personal level. While we appreciate all work taking place in God’s Kingdom the following are some of the examples of ministries we are partnering with, where they are located and how they are ministering to the individuals in their part of the world.
