

CORNERSTONE

January 31, 2018

Dear Friends,

We have been incredibly blessed over the past three years with the amount of support we've received for the Perry County Work Camp program. Because of partners like you, we have been able to complete over 50 projects, from painting and gardening to plumbing and roof repairs, with the help of over 100 volunteers.

As you can imagine, the costs to complete repairs of this scale can become overwhelming and we thank you for your support in the past and ask that you would consider making a donation to help those in need again this year. Please use the enclosed donation form. All donations are tax deductible.

The last twelve months have brought significant challenges and devastation to our entire country including fires, mudslides, hurricanes, and flooding. While Perry County was spared from natural disasters, there are many in our community that struggle to make ends meet and are unable, either physically or financially, to take care of home repair projects.

This year, we will be modifying our normal Work Camp program to not only send a team to help with rebuilding after the damage caused to the Gulf Coast following many hurricanes last summer and fall, but we also want to be able to assist our community throughout the year - not just one week in the summer. This year, we'd like to introduce WorkCamp Weekends!

We will be sending teams into our community during various weekends beginning this Spring to complete projects, clean up community spaces and serve our neighbors as best as we can. The upcoming WorkCamp Weekends are scheduled for May 11-12 and August 24-25.

We invite you or anyone from within your organization to join us as a volunteer and use your talents - whether you specialize in carpentry and painting or cooking and baking - to serve our community. Finally, if you know a family in need that could benefit from this program, please contact us at office@cccduncannon.com or 717-834-4641 for an application.

Thank you again for partnering with us to help our neighbors. We are better together!

Blessings,

Megan Safko
Administrative/Reach Director
