READING GOD'S STORY IN 2026

This plan takes the material of the Bible and organizes it to flow in chronological order. Since exact dating of some materials or events is not possible, the chronology simply represents an attempt to give the reader the general flow and development of the Bible's grand story. Some passages are placed according to topic (e.g., John 1:1-3 in Week 1, Day 2; and many of the Psalms). There are six readings for each week to give you space for catching up when needed.

Download a reading plan from our website or pick up a plan in the lobby.

 **YouVersion**

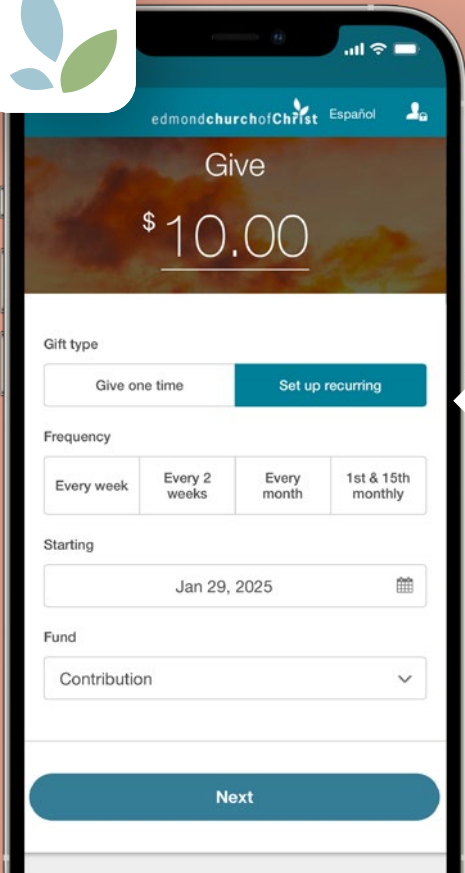

Follow this plan in the YouVersion Bible App.
