OCTOBER 25, 2026

We all know the struggle. We desire to do what is right while finding ourselves drawn toward what we know is wrong. Our struggle with temptation is real, but we are not without hope.

MISSION UPDATE

Poncha Springs, Colorado

BY SAM DAY

This year 79 of us, high school students and sponsors, traveled to Poncha Springs, Colorado, for our annual youth mission trip. We spent the week encouraging and working with the Poncha Springs Church of Christ—door knocking, leading Vacation Bible School (VBS), and serving in the community. We shared a picnic with the church and community at the end of the week.

Our students worked hard in the weeks leading up to the trip. They wrote and created the Bible lessons, gathered games, and created crafts for the different age levels (from 5-18 years old). They are given complete ownership of VBS, while our sponsors work hard to create the infrastructure for their success. Before VBS began, we door-knocked, handing out over 3,000 flyers inviting the community to VBS and the church picnic in the park. This year at VBS we had 94 children throughout the week. Most of the children were not members at Poncha Springs church, but people from the

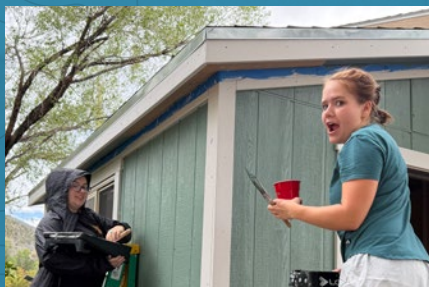

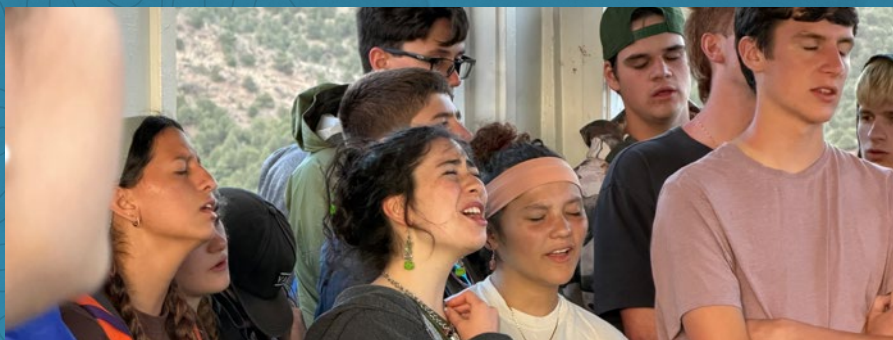

community who had heard about our yearly trips and trusted us with their children.

We spent our afternoons on service projects for the community. We cleaned up the community garden, weeded many yards, and we continued the tradition of planting a tree in one of the community parks.

We love to see the way God has blessed the Poncha Springs community as this church continues to grow and reach out to so many of their neighbors. With God's help, we have built a beautiful friendship over time in this community where they can see and know what it looks like to live out faith in Christ!
