MISSION UPDATE

Montreal

MONTREAL CHURCH TO CELEBRATE 40-YEAR ANNIVERSARY

In December, the Ville Emard Church of Christ in Montreal, Canada, will celebrate 40 years of ministry, outreach and service in a city of almost 2 million people. The congregation, currently made up of approximately 60-75 members, started in 1985 as a house church before moving into a small commercial building. Later, the church moved to the Verdun area of Montreal before settling into a two-level building in Ville Emard where they are located today.

Roger and Diane Saumur were converted at the church in November 1986, and Roger began working with the minister who started the church shortly thereafter. Edmond began supporting Roger and Diane as full-time ministers with the congregation, and we will celebrate 40 years of partnership with the Saumurs next November.

Members of the Ville Emard church represent very diverse ethnic and cultural backgrounds which sometimes makes communication a challenge. However, every Sunday, Roger preaches in either English or French and his sermons are translated on the spot in the other language.

The church enjoys monthly fellowship activities that include games, potluck meals, a corn roast in August, apple picking in September (just

last weekend), and more. They are currently seeing more visitors attend services—averaging five to six guests each week. Most have come to Montreal to study or work, and church members go out of their way to welcome every guest.

Roger is an evangelist and is very gifted at integrating faith and church into his conversation with people he meets. A big part of his focus has been strengthening the church by helping members mature spiritually and to grow in their evangelistic efforts. For example, when Roger and Diane were on vacation recently, men in the congregation stepped up to preach and teach Bible class.

Both of Roger & Diane's daughters and their husbands are actively involved in the church. Serving the Ville Emard church is certainly a family affair for the Saumurs.
