God has blessed us abundantly throughout this past year. Have you said, 'thank you' to God recently? It is so easy to get caught up in the hardships of this world and let the blessings of God go without notice. Read Luke 17:11-19 as a family. When the Samaritan leper was healed, he stopped what he was doing and turned to go thank Jesus. Let us use this example to remind us how important it is to stop and take time in our lives to thank our Father in Heaven. Thank Him for giving us a new day, the beautiful leaves that change colors in the Fall, the prayers He has answered, the things He has yet to do in your life and for the simple fact that He loves you. My challenge to you is to write as many things that you can think of that you are thankful for on a sheet of paper. They can be big or small things you are thankful for but I want to see, can you fill up an entire page? Can you fill up two? Let us focus our minds to see the good God does in our lives daily and remember to thank Him.
