God has graced each of us with gifts to use in our daily lives. We are interested in gathering information about your personal interests and gifts which may help us in finding opportunities to serve our congregation and community as a member of Christ the King. As part of this survey, we are interested in finding out more about organizations you have served, and in what capacity. These experiences may include organizations/activities such as: coaching, scouting, Rotary, symphony, organizations where you may be or have been a board member or any other non-profit organizations where you volunteer your time and talents. Please provide your information here:

Place an "x" in the box beside the ministry area in which you would like to serve. All information on these sheets will remain confidential among church staff/leadership. For sections including an "S" and "I" option, please check the box under "S" if you are skilled or proficient in that area and already are or would be willing to share your talent. Check the box under "I" if you are interested in serving/developing skill in that area.
