

# BCCP (BREAST AND CERVICAL CANCER PROJECT)

The Breast and Cervical Cancer Project (BCCP) is a unique service that is housed at the Fulton County Health Department. We are a 10 county project funded by a grant from the Ohio Department of Health. BCCP provides pap, pelvic, and breast exams, and mammograms to low income, uninsured women who are the age of 40 and older.

Counties served include:

- Defiance
- Erie
- Fulton
- Henry
- Lucas
- Ottawa
- Paulding
- Sandusky
- Williams
- Wood

Map of Counties Served by BCCP

This past year our office served **350** women and is on track to serve even more women this coming year.

Call us at 419-337-0915 for additional information on this program, or to see if the program could meet your needs.
