

SPRING INTO PREPAREDNESS

FULTON CO. MRC

MARCH 2026

Greetings Fulton County MRC Volunteers,

As we move into March, we are focusing on growth and engagement within the Fulton County MRC - strengthening our team, expanding our skills, and building new connections.

Over the coming months, be on the lookout for training opportunities through MRC Train to help volunteers build preparedness and public health response skills. Whether you are new to MRC or have been serving for years, there will be opportunities for everyone to learn and stay involved!

Help Us Keep Our Volunteer Roster Up-to-Date

As part of our volunteer update, we are asking all current members to confirm their information and let us know if they would like to remain active in the Fulton County MRC.

Please be on the lookout in April for an email from your MRC Coordinator with information to ensure our records are accurate. This helps us maintain an accurate roster, share training and event opportunities, and ensure we can contact volunteers during public health responses.

Ohio Responds Update

Ohio Responds has transitioned to a new platform for volunteer registration and management. If you have not yet logged into the new system, please take a few minutes to check your account and ensure your information is current.

If you need assistance navigating the new system, please reach out as a short "how-to" training is available.

Training Opportunities

Over the coming months we will begin highlighting recommend trainings available through MRC Train. These trainings help volunteers build skills in areas such as:

- Emergency Preparedness
- Public Health Response
- Community Outreach
- Incident Command Awareness

More information on specific training requirements and opportunities will be shared in the coming months.

We Want To Hear From You

Your input helps shape the future of the Fulton County MRC. When completing the form, please let us know:

- What trainings or certifications you would like to see offered
- Topics or skills you are interested in learning more about
- Whether you plan to remain an active member of the FC MRC

Form: <https://forms.gle/NfiJyWr9NzxhQpiH7>

Know Someone Who Wants to Join?

We are always looking for community members who want to make a difference. Anyone interested in joining the FC MRC can contact:

Brooke Schuette

Fulton County MRC Coordinator

Fulton County Health Department
