GOD'S PLAN OF SALVATION

GOD loves YOU "For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." -John 3:16

You are a sinner. "For all have sinned and come short of the glory of God." -Romans 3:23

The Holy Spirit convicts YOU of sin. "And when He is come, He will reprove the world of sin.....because they believe not on me." -John 16:8-9

Your response is to repent of sin. "For I am not come to call the righteous, but sinners to repentance." -Matthew 9:13

Trust in Christ as Savior. "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For whosoever shall call upon the name of the Lord shall be saved." Romans 10:9, 10, 13

Grow in Christ by following through with baptism and uniting with a church. You will find new Christian friends and grow in your new life in Christ.

From Donnie's Desk;

"Restore us, O God of our salvation...Wilt Thou not Thyself revive us again that Thy people may rejoice in Thee..." Psalm 85:4 & 6

As wonderful as this Summer has been here at HSBC, September is going to be a month to remember! The excitement has been building and the atmosphere in worship has been filled with the sense of the presence of our Heavenly Father. My prayer, and I hope yours as well, is that we will experience not just a few great days of Invite Your One and Fall Revival Services, but that we will indeed experience a renewal and revival of our lives and our church that can only be attributed to God!

As Rick Newton teaches us and leads us through the Prayer for Spiritual Awakening course on Wednesday nights this month we will learn that revival is not a one time event or merely a series of special services. Revival is the sovereign, powerful movement of God in the lives and the churches of His people. Revival never begins with "those people" who we think need it. It always begins with God's people. 2 Chronicles 7:14 declares this truth..."If My people who are called by My Name will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from Heaven, will forgive their sins, and will heal their land."

Revival and renewal begins with us! I am more convinced than ever before that the only hope we have as a people, a church and a nation is for a new Great Awakening, a powerful move of the Holy Spirit to sweep across our lives and churches. We are

more divided than ever as a nation, in our churches, in our denominations, in our communities...we desperately need revival! No political party can accomplish this. No new program or plan can bring about what we so desperately need. Only God... "Invite Your One" friend day is all part of this lead up to our Fall Revival services. The whole purpose of this special day is to focus our efforts and our attention on the need and the privilege of inviting our friends and family to join us as we worship and point to the hope we have in Christ. September 16 is the Day! And it will be a great day at HSBC! I can't wait to see what God does as we gather with great anticipation to worship and fellowship together!

Don't forget...we will be enjoying a fellowship meal together immediately after the morning worship that Sunday. Our kitchen team will provide the meat and drinks, so please bring a side dish or dessert and plan to stay with your guest for great time of fellowship and food. September 23 is the kick off for Fall Revival. We will gather Sunday morning for a powerful morning of worship and challenge from the Word of God. Sunday through Wednesday nights we will gather at 6:00pm for the evening Revival Services. Each night we will worship through beautiful music and powerful preaching of the Word. I am so excited to have my Dad, Dr. Cecil Seagle, as our guest preacher for the week. He is uniquely gifted and has been used powerfully for many years in a variety of roles within our denomination. You will be blessed.

So...all of this to say...please join with me now in praying for these special days! Pray for God to move powerfully! Pray that your heart might be ready for what the Father wants to do in you. Pray for your "One". Pray for our musicians. Pray for our church. Pray that God will indeed revive us again! Blessings,
Donnie

**Ignite Students and Families,
On Wednesday Nights, September 5th-
26th, we will be wrapping up the series
Playing with Fire and studying the series
Together, a series about the Early Church
and Loving Others.**

**As followers of Jesus, we're part of a
movement that began thousands of years
ago - a movement that's still alive today!
It's called the church. In this series, we'll
explore exactly how the early church
began this movement. As we do, we'll
discover that, like them, we can move
forward further and faster when we're
following Jesus together.**

**Sept. 5: Don't keep your nice thoughts to
yourself.**

Sept. 12: Together we are better.

Sept. 19: Together we are braver.

Sept. 26: HSBC Revival

**See you at 6:00 PM on Wednesday
Nights!**

5 Principles to Help You Parent Beyond Your Capacity

By Reggie Joiner & Carey Nieuwhof

If you've been following our blog for any amount of time, you may have noticed a few repeating themes. (And if you *haven't* noticed, we're not going to give you a quiz or anything. Take a deep breath . . . and keep reading!)

Each month, we highlight one of five parenting principles that Parent Cue believes to be valuable and useful to anyone who has or leads kids. Why?

We work to keep our content relevant, practical, and *honest*, knowing . . .we're not perfect parents., we don't have all the answers, and there's no formula for getting this parenting thing "right."

Our goal is to remind you that you're not alone, that each stage of your kid's life is just a phase, and that you don't want to miss any of it. We want to invite you to be a part of a bigger story—a story that stretches across every season of parenting. And these five parenting values set you up to do just that.

We think you parent best when you:

Widen the Circle - Invite others to invest in your children, so they will have other voices that will help shape and determine the direction of their lives.

Imagine the End - Focus your energy and effort on the issues that will make a lasting impact.

Fight for the Heart - Create a culture of unconditional love in your home to fuel the emotional and moral health of your children.

Create a Rhythm - Tap into the power of quality moments together and build a sense of purpose through your everyday experiences.

Make it Personal - Allow your kids to see how you strive to grow so they can understand how to confront their own limitations and pursue character and faith.

The only guarantees we have as parents are that it's hard, it's tiring, and it can sometimes feel defeating. But it's also an honor, an adventure, and the single most important role on the planet.
