OF MOSES AND IN THE PROPHETS AND PSALMS
MUST BE FULFILLED.” —LK 24:44

3RD SUNDAY OF EASTER

CORCORAN'S CORNER

Looking Ahead . . .

- Our **WOMEN'S CLUB** meet Tuesday, April 16, at 7:00 PM, in our McBrady Center.
- Our **PARISH PASTORAL COUNCIL** meet on Thursday, April 18, at 7:00 PM, in the Great Room (second floor of our McBrady Center).
- Sunday, April 21, is the celebration of **CONFIRMATION**.
- Saturday, April 27, is the celebration of **FIRST HOLY COMMUNION**.

Prayers . . .

Please keep in your prayers our parish First Communicants and Confirmandi, as they prepare to receive their Sacraments. Confirmation Day is Sunday, April 21, at 2:00 PM. First Communion Day is Saturday, April 27, at 10:00 AM. Please pray that this will be a time of family celebration, and the deepening of our students' faith.

Our Annual "Pot of Gold Raffle" . . .

Thanks to all who donated to our recent *Pot of Gold Raffle*. Our parish received \$18,650.00, as proceeds from this raffle. Our parish truly was the big winner!

Our Lenten Canned Food Drive . . .

Our Lenten Canned Food Drive wrapped up on Palm Sunday, April 24. Our parish donated 1,850 lbs. of food, surpassing all local K of C's food drives by 4% (in members various parishes/groups). Your generosity made a tremendous difference in so many lives of people in need.

Many Thanks . . .

Thanks to all who worked so hard to prepare for our beautiful Holy Week liturgies. Our Cantors and Choir sang beautifully and the instrumentalists performed beautifully under the direction of our parish Music Director, **Ilya Vanichkin**. Our Lectors "prayed" the lengthy Palm Sunday and Holy Week liturgies, making the words come alive. Our Greeters set a welcoming tone for all who came to worship. Our Altar Servers were all on point. Our Director of Liturgy, **Margie Guadagno**, kept things running smoothly on track. Our deacons and priests led our celebrations reverently. God was given great praise.

Thanks to those who do so much in the background: those who assemble our worship aides; those who maintain our church; and the "good eggs" who stayed after the *Living Stations* to decorate our church for Easter. I am grateful to **Darlene Raila** for spreading the word through our parish bulletin, website, and our Facebook Page. This allows so many to be in touch with what is happening.

Thanks to our Liturgy Team, Lectors, Choir and Musicians for presenting a beautiful and moving Tenebrae Service on Wednesday of Holy Week.

Thanks to **Deacon John Sobol** and **Bruce Hall**, our lectors and students who portrayed the *Living Stations of the Cross* in such a prayerful and meaningful way. It was an inspirational service. Thanks to our parishioners who agreed to be one of the twelve individuals to have their feet washed (*Washing of the Feet*) on Holy Thursday. Thanks to those who led Morning Prayer and to those who led the different versions of the *Stations of the Cross* throughout Lent. Thanks to all who were involved in our *Lenten Parish Mission*, as well as those with our post-Mission reception, and our post Easter Vigil reception. And thank you to **Bernice Benker** for capturing all of our events in photos.

Thanks to those who guided a wonderful *St. Patrick/ St. Joseph Party*, as well as our Men's Club for hosting our parish *Fish Fry*. Thanks to our Women's Club for their *Evening of Reflection* led by **Claudia Nolan**. Thanks to our Seniors of Seton for their sponsoring their *Morning of Reflection* by hosting the one-man theatrical presentation, "*Peter the Rock*." Thanks to all who gave alms through the Catholic Relief Services Lenten Rice Bowl Banks.

Whether it was liturgical celebrations, social gatherings, or spiritual input — our parish offered a lot during Lent. Let us continue to grow and do good throughout Easter.

Eucharistic Car Caravan . . .

This Sunday, April 14, we join our local parishes in our area for the second Eucharistic Car Caravan. [Our first Caravan was in October and we visited St. George, St. Stephen, St. Elizabeth Seton, and St. Julie Churches.] This second caravan will travel from St. Michael, to St. Francis of Assisi, to Our Lady of the Woods parishes. Please join us on this pilgrimage during this year of Eucharistic Revival. More details can be found on page 3.

Setting Next Year's Calendar and Budget . . .

We are now in the process of setting up our Parish Calendar for 2024-2025. All organizations are asked to submit their dates, as we have a May 1st deadline.

Similarly, we are drawing up a preliminary budget for the coming year. This task is made difficult as the Archdiocese is slow in setting health insurance premiums and pay raises for the coming year. As these are major budget items, we need to be slow in figuring our final projections.

Planning For Our Future . . .

As part of our ongoing good stewardship of our parish, I have commissioned a study of our physical plant and buildings. **Father Rich Homa** did the same in 2011, and it has been invaluable since that time in having us save for, anticipate, and replace major items. It is always good to be forewarned and not surprised by our buildings' needs. For example, in one part of the report it estimated that we would need to replace an HVAC unit, on a projected date, and at a projected cost. These reports were spot on for the date and within a few thousand dollars on cost. We had anticipated this and had saved for it.

We are trying to do the same for the next 10 years. I would guess we have "good news" and "bad news." The "good" and "truly outstanding news" is, that we have kept up with repairs. There will be no need to re-roof the church, replace the parking lot, tuckpoint our building, and replace a number of our HVAC units. We have done all of this! Now, will other HVAC Units die on us, or will we need spot tuck-pointing or parking lot patching to be done in the next 10 years? Of course! Nothing lasts forever.

The "bad news" is a five letter word: ROOFS. While we have had some minor leaks and ongoing series of gymnasium roof leaks, most all of our school roofs are heading towards useful life. This will be a big and expensive job. But life always has its challenges. It is good to have peered into the crystal ball, and to estimate what will need to be done. We have saved for a down payment on these future repairs — so we are a bit ahead of the game. Fore-warned is fore-armed.

Keep Smiling,

Kary Rev. William F. Corcoran, Ph.D.

As Eucharistic People, Are You Ready for a Local Real Presence Road Trip?

Following the **National Eucharistic Revival Commissioning** at the parish level, as **One Body in Christ**, and led by the **Holy Spirit** to center on **the Eucharist**, our **Vicariate V Deanery Parishes** of Our Lady of the Woods, St. Damian, St. Elizabeth Seton, St. Francis of Assisi, St. George, St. Julie Billiard, St. Michael and St. Stephen Deacon and Martyr, have collaborated to bring our faith communities together to worship and adore the **Body, Blood, Soul, and Divinity of Christ** that will culminate with a Eucharistic Celebration.

On **Sunday, April 14, 2024**, as the loaves and the fish multiplied, do the same in your vehicle with family, friends, and neighbors, of **all generations** as we embark on our inaugural **Eucharistic Revival Car Caravan Pilgrimage**. Our pilgrimage

will take us to our local holy sites and parishes. In addition, we will enjoy an afternoon of spiritual enrichment focusing on the True Presence of Jesus in the Eucharist.

**Giving old bikes
new homes**

Sustainability is at the heart of what we do! Every year, Working Bikes saves over 10,000 bikes from ending up in landfills, giving them new life in communities around the world and in our own backyard. Bicycling is not only a great, independent form of transportation and exercise, but helps reduce carbon emissions.

The Storefront & Repair Shop

Our storefront features adult and youth bicycles, new and used accessories, hard-to-find used parts and Working Bikes gear for sale. All bicycles have been refurbished by our team of talented, experienced mechanics who inspect the bikes and make all necessary repairs before they arrive on the storefront floor. Our mechanics also offer in-store repairs to help keep your bicycle in top condition all year long.

Proceeds from our storefront sales directly benefit our shipments. The money raised allows us to ensure that we remain a sustainable organization and that additional shipping costs are not passed on to recipient organizations.

Who We Are

Working Bikes is a 501(c)3 organization that was started in 1999 by a group of volunteers dedicated to recycling bikes, supporting bike culture, and helping international and local projects. Since its inception, Working Bikes has recovered tens of thousands of discarded and donated bicycles from Chicago and the Midwest. More than 38,000 bicycles have been distributed worldwide.

Why Bicycles

Countless bicycles are discarded or sit unused in basements or garages in the United States every year. But in a developing country, a bicycle can truly change the life of an individual, their family, and their community. In areas plagued by poverty, high levels of unemployment, and lack of reliable, accessible transportation, a bicycle can help provide access to jobs, education, and medical attention.

Many Working Bikes partners have bicycle-based endeavors that provide employment to severely underserved populations, including individuals with physical disabilities and those who have been incarcerated. Bicycles are also used for towing cargo and even as a source of electricity through the creation of pedal-powered machines.

Visit www.workingbikes.org

Local Impact

Working Bikes works with homeless transition and refugee resettlement programs to redistribute 250 bicycles per year. We serve as a training ground for countless volunteers to improve their mechanic skill and contribute to a larger cause.

Global Impact

Working Bikes ships over 5,000 bicycles per year to projects in countries throughout Latin America and Africa.

Our youth ministry graciously thanks all who contributed to the Living Stations free-will giving. Your generosity will help fund youth activities as we grow spiritually, in service, and socially.

THANK YOU!

Our St. Elizabeth Seton/St. Stephen Deacon and Martyr Youth Ministry Living Stations leadership team and cast thank all those who attended the Good Friday re-enactment of Jesus' journey to Calvary.

In unison, as we journey through our Catholic Faith, and the many crosses of sacrifice we bear, we were solemnly glad to have had the opportunity to share the greatest sacrifice ever made, Jesus' journey to Calvary for our redemption. The net was cast wide to re-enact this devotion. Our cast ranged in ages from 4th grade-High School, with good representation of our excellent local private and public schools. Integrated with our adult leadership team, we grew our youth fellowship weekly at Sunday afternoon practices during Lent. We also integrated our young adults as narrators.

Creation Care Corner 

What the Saints say about Caring for Creation

Saint John Paul II - “The visible world is like a map pointing to heaven... We learn to see the Creator by contemplating the beauty of his creatures. In this world the goodness, wisdom, and almighty power of God shine forth. And the human intellect ...can discover the Artist’s hand in the wonderful works which he has made. Reason can know God through the Book of Nature.”

Saint Hildegard of Bingen - “Every creature is a glittering, glistening mirror of divinity.” “Creation is the song of God.” “The Earth sustains humanity. It must not be injured; it must not be destroyed.”

Saint Francis of Assisi- If you have men who will exclude any of God’s creatures from the shelter of compassion and pity, you will have men who will deal likewise with their fellow men.”

Saint Irenaeus of Lyons -“The initial step for a soul to come to knowledge of God is contemplation of nature.”

Saint John Paul II - “... humanity has disappointed God’s expectations. Man, especially in our time, has without hesitation devastated wooded plains and valleys, polluted waters, disfigured the earth’s habitat, made the air unbreathable . . .”

SAINT OF THE WEEK

SAINT GIANNA BERETTA MOLLA (1922-1962)

Saint Gianna Beretta Molla was a wife, mother, and pediatrician. During her last pregnancy Saint Gianna was found to have a noncancerous uterine fibroid. While she allowed the doctors to remove the tumor, she made sure that her pregnancy was protected. Saint Gianna Molla died of complications shortly after her daughter's birth.

IN LESS THAN 40 YEARS, GIANNA BERETTA MOLLA

became a pediatric physician, a wife, a mother and a saint! She was born in Magenta near Milano, the 10th of Alberto and Maria Beretta's 13 children. An active member of the St. Vincent de Paul Society and a leader in the Catholic Action movement, Gianna also enjoyed skiing and mountain climbing. She earned degrees in medicine and surgery from the University of Pavia, eventually specializing in pediatrics. In 1952, Gianna opened a clinic in the small town of Mesero, where she met engineer Pietro Molla.

Shortly before their 1955 marriage, Gianna wrote To Pietro: "Love is the most beautiful sentiment that the Lord has put into the soul of men and women." In the next four years the Mollas had three children: Pierluigi, Mariolina, and Laura. Two pregnancies following ended in miscarriage.

Early in her sixth pregnancy, doctors discovered that Gianna had both a child and a tumor in her uterus. She allowed the surgeons to remove the tumor but not to perform the complete hysterectomy that they recommended, which would have killed the child. Seven months later in April 1962, Gianna Emanuela Molla was born at the hospital in Monza, but post-operative complications resulted in an infection for her mother. The following week, Gianna Molla died at home in Mesero, where she was buried.

Gianna Emanuela went on to become a physician herself. Gianna Beretta Molla was beatified in 1994 and canonized in 2004. Her Feast Day is April 28.

COMMENT

With great faith and courage, Gianna Molla made the choice that enabled her daughter to be born. We can often wish that we were in different circumstances, but holiness frequently comes from making difficult choices in bad situations.

If it seems nonsensical to say that an actual shepherd would die for the flock, that's because it is — unless the shepherd is the very love of God for us, our shepherd Jesus Christ.

■ FIRST READING

There is no salvation through anyone else (Acts 4:8-12).
 Saint Peter gives a speech to the Sanhedrin concerning the healing that he performed on the cripple. He is telling the Jewish leaders that by their actions they have rejected the source of salvation whom Yahweh had sent to Israel. The implied message is that if they do not change their ways and stop inhibiting the proclamation of the Word of the Lord, then they will be rejected (even as they will have rejected Jesus by their actions).

■ SECOND READING

See what love the Father has bestowed on us that we may be called the children of God (1 John 3:1-2).
 The theme of this reading is our status as children of God and what that means for us. We are told toward the end of the reading that we already share in a great honor for we are already called God's children. Yet, this is only the beginning. When we pass from this world to the next, we will share in God's own glory.

■ GOSPEL

The good shepherd lays down his life for the sheep (John 10:11-18).
 Around the time of Babylonian exile (587 BC), there was a theme that was very popular among the Prophets. It was that God had appointed shepherds to Israel (their

kings and priests), but these shepherds had misled God's people. Therefore, God himself would be Israel's shepherd and lead her in his own ways. The Gospel passage that we are hearing speaks of Jesus being in the temple for the Scripture passages proclaimed during that feast was taken from Ezekiel the Prophet. It was the passage that proclaimed God as our Shepherd. When Jesus spoke of himself being the Good Shepherd, He was applying that prophecy to himself. He speaks in tremendously affectionate terms of his care and concern for his beloved flock. He calls them by name, for he knows them like no one else knows them. He will give his life for them. He will protect them from all dangers (especially the dangers of sin and death and alienation).

■ REFLECTION

Though most of us don't have a lot of experience with shepherds, it might seem to us plain foolish, a matter of misplaced priorities, that a shepherd would actually lay down his life for his sheep. After all, what is the point of keeping sheep except to provide for one's own needs? What point is there in saving the sheep if the shepherd dies? A moment's reflection, however, allows us to grasp Jesus' point. True leaders, "good shepherds," are those who seek not their own wellbeing and flourishing, but the well-being and flourishing of those who are entrusted to their care. While we may not have a lot of contact with shepherds, we can think of many instances of people laying down their lives for others. Any parent who has walked the floor in the middle of the night with a sick or fussy baby knows what it means to lay down one's life. So too, any child who cares for an aging parent with patience and forbearance knows what it means to lay down one's life. Any employer or supervisor who stays late at the office figuring out how to tweak the budget, or who forgoes a bonus in order not to have to lay anyone off, knows what it means to lay down one's life. All of these involve a kind of dying to oneself so that others might have life in its fullness. Also, Jesus' words concerning the Good Shepherd make it clear that laying down our life for others is in fact the path to fullness of life for us as well. And in taking up His own life, He takes up the lives of all of those who have laid down their lives for others. In the season of Easter, we celebrate the power of Jesus to raise to new life all those who, out of love for God and neighbor, die to themselves so that others might have life.
