

*When we humans think about God, why do we always think about God as a faraway being, someone up in the sky looking down upon us or "someone up there in heaven"?*

**G**OD IS PRESENT RIGHT HERE AND RIGHT NOW and God is very much involved in our daily lives! We call this presence of God the "Indwelling of the Holy Spirit". His presence in us is as close as a heartbeat.

**THE HOLY SPIRIT AND SPIRITUAL GIFTS** will take us on a journey through the Bible from Genesis through all the Prophets of the Old Testament and then through the Gospels, the Acts, and through the Letters of St. Paul, citing every passage about the Holy Spirit and his presence in our human story. Hopefully we will begin to learn and to realize the presence of God in our own lives!

This session of our study will take place during the six weeks of Lent. May it give all of us the opportunity to be "touched by the Spirit" during this holy season! — **Father Bill Gubbins**
