LESSON: RESURRECTION SUNDAY “THE POWER TO CHANGE YOUR LIFE”

Today, worldwide, people are celebrating “Easter Sunday,” which is “Resurrection Sunday!” Some see Easter as… religious but not relevant, nice but not necessary, cute but not current, traditional but trivial, historic but not helpful… But as Christians, we celebrate today as the day Jesus rose from the dead!

A. THE POWER TO CHANGE YOUR LIFE

And if Christ wasn’t raised, then all you’re doing is wandering about in the dark, as lost as ever… But the truth is that Christ has been raised up!

1 Corinthians 15:17, 20a TMB

1. Jesus resurrection is about “Power.” The power to bring significant change into a person’s life. The resurrection is about becoming:
   - A Powerful Person
   - Living an Empowered Life
   - Captured by a Powerful Purpose
   - In order to Empower the Powerless

2. In Christ Jesus, you have the Power to change not only your life but the lives of others! It begins by knowing Jesus Christ as your personal Lord and Savior. Through your faith in Jesus you can receive forgiveness of sins and receive a fresh start with a clean slate to live out your new life!

3. So many people get stuck in a rut regarding their past mistakes. The enemy attempts to hold people back from God’s purpose and destiny by weighing them down with guilt and condemnation. Understand that God’s love for you and humanity is unconditional. You don’t earn it by good works, you simply receive His mercy and grace by faith as a gift.

4. What changes would you like to see in your own personal life today?

B. FOUR WAYS THE POWER OF CHRIST’S RESURRECTION CAN CHANGE YOUR LIFE

I pray that you will begin to understand how incredibly great His Power is to help those who believe in Him. It is the same mighty Power that raised up Christ from the dead…

Ephesians 1:19-20a TLB

1. The Power to Cancel your Past: You no longer have to live in your past mistakes, past problems, and past failures because Jesus died on the cross to set you free from them! God never intended that we live with out guilt, hurts, negative memories of the past or our mistakes. Through the cross and His resurrection, Jesus has cancelled your past!

2. The Power to Conquer your Problems: Some people that their lives are out of control. We must take our focus off of our problems, and place them on God’s Promises. No matter how bad the situation is, God can turn it around. Nothing is impossible with God!

3. The Power to Change your Personality: What is it about your character that needs to change? Here are some steps that you can take… First, commit your life to Jesus. Second, let God remake you. Third, let God work in you.

4. The Power to Capture your Purpose: Without knowing your God given purpose, life becomes an aimless string of activities with little or not significance. You must realize… that your fulfillment in life is dependent on what you were born to do. The Power to change is all “A Matter of the Heart.” Through Jesus, change is possible.
