Let the Savior In

Think with me for a moment
And let's travel back in time
To a tiny place called Bethlehem
Let's take a look inside.

The earth is covered with humility,
A stilled hush fills all the air
Attention is focused on a stable
And the young couple huddled there.

With a tiny cry the hush is broken
All the earth now smiles--
Rejoicing in the birthday
of a very special child.

Now think of many passing years
The child is to Heaven gone
And the celebration of his birthday
Has taken on a different tone

The earth holds one great party
For the Son, only begotten
But in the fuss and fun of the holiday
It seems Jesus is forgotten.

Tears roll down the Savior's face
And His loving eyes do plea,
"I gave my life that they might live,
And they've forgotten Me."

This Christmas, let's remember
The great debt we owe to Him.
Without Christ, there is no Christmas.
Let's let the Savior in.

Women's Ministry Christmas Luncheon

Our Christmas Luncheon was held on Saturday, December 9th. Our ladies were treated to a delicious lunch and sweet time of fellowship. We were treated to special music and worship, and the men from WMBC graciously served us all morning. Our guest speaker was Kitty Chappell, who spoke powerfully on the subject of forgiveness. If you missed it, mark your calendars to join us next year!

Kitty and her family experienced horrible abuse from her father. How could she possibly forgive the man who caused her such pain and anguish? Only when she learned how her Heavenly Father has chosen her, loved her, and forgiven her did she learn to forgive her earthly father and share the joy of the Lord that she had been given.
