

## *What We Believe*

1. We believe in the Scriptures of the Old and New Testaments as being verbally inspired and completely inerrant in the original writings and of supreme and final authority in faith and life.
2. We believe in God, eternally existing in three Persons: Father, Son, and Holy Spirit.
3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.
4. We believe that man and woman are created in the image of God and their sexual identity is given by God according to their DNA at birth; that Adam sinned and hereby incurred not only physical death, but also spiritual death which is separation from God; and that all human beings are born with a sinful nature.
5. We believe that God ordained marriage as a life-long relationship between one man and one woman for the purpose of sexual intimacy, companionship, and procreation. Marriage is a picture of Christ's sacrificial love for the church and the church's joyful submission to Christ.
6. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as the representative and substitutionary sacrifice, and that all who believe in Him are justified on the ground of His shed blood.
7. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and in His present life for us as High Priest and Advocate.
8. We believe in "that blessed hope," the personal, bodily return of our Lord and Savior Jesus Christ.
9. We believe that all who receive by faith the Lord Jesus Christ, are born of the Holy Spirit and thereby become children of God, a relationship in which they are eternally secure.
10. We believe in the bodily resurrection of the just and of the unjust, the everlasting blessedness of the saved and the everlasting conscious punishment of the lost.
11. We believe that the gifts of the Spirit are given to (1) glorify God, and (2) edify the body of believers, and that any gift used within the Church must be in total agreement with God's Word.
