*Chapel*

*Love God • Love Others • Serve The World*

We believe that Life Groups provide the optimal environment for the life change that Jesus Christ intends for every believer.

We believe these "circles" are as important as rows.

Let us help you find a life group that is right for you.

- Many of our life groups have  
childcare available.

- We have more types of groups  
and are starting new groups.

- Also, many life groups SERVE  
our community in unique ways.
