

WAIPUNA

Chapel

Love God • Love Others • Serve The World

We believe that Life Groups provide the optimal environment for the life change that Jesus Christ intends for every believer.

We believe these "circles" are as important as rows.

Let us help you find a life group that is right for you.

- Many of our life groups have
childcare available.

- We have more types of groups
and are starting new groups.

- Also, many life groups SERVE
our community in unique ways.
