

Drive a Senior

Northwest

Dear Friends and Volunteers of Drive a Senior Northwest,

During this season of rushing to and fro, we would like you to consider how you would get everything done if you couldn't drive. No jumping in your car and running out to get presents, food or holiday decorations. Christmas lunch with friends is an impossibility. You have to miss that special holiday program because no one can take you.

In 2014, Drive a Senior Northwest grew beyond our expectations. Our faithful volunteers are on track to provide over 8600 medical and quality of life rides to seniors — the greatest number in our history. Here at Drive a Senior Northwest, we help seniors maintain their independence by providing transportation regardless of religious affiliation, means or family proximity. All we ask is for the opportunity to serve our senior community. If you are one of our volunteers—whether driver, office helper, board member, Senior Day Out helper, or handyman—thank YOU for all you have done this year to help us accomplish our mission so well!

In addition to volunteer support, financial gifts are also important to the work we do. If you are a regular donor to Drive a Senior Northwest, whether with your time or treasures, thank you so much. Your support has enabled us to continue to meet this need in our community. If you have not supported us financially, please consider helping with a generous tax-deductible contribution before the New Year. Cash and check donations may be made by mail using the enclosed envelope. Donations by credit card may be made through our website at [www.driveaseniornorthwest.org](http://www.driveaseniornorthwest.org) by selecting the DONATE link on the home page.

The joy of the holiday season is in having the opportunity to brighten other people's lives and lighten their loads with our gifts. We hope this holiday season will inspire you to make a financial contribution to Drive a Senior Northwest so that our Austin, Cedar Park and Leander communities will all continue to be better places for seniors to live.

Thank you for your support and service. May God bless and keep you, and all you love, safe this holiday season.
