Volunteer Release and Waiver of Liability Agreement

As a volunteer, I understand that the scope of my relations with the United Presbyterian Church of Binghamton (UPC) is limited to a volunteer position and no compensation will be paid for any services I provide, that UPC will not provide me with any benefits traditionally associated with employment and that I am responsible for my own insurance coverage in the event of personal injury or illness as a result of my volunteer services to UPC.

I, _____, release and forever discharge and hold The United Presbyterian Church of Binghamton (UPC), a non-profit religious corporation organized and existing under the laws of the State of New York, its successors and assigns (including its directors, officers, employees, agents and members of its congregation) harmless from any and all liability, claims, and demands of whatever kind or nature, either in law or in equity, which may now exist or hereafter arise from the services I provide to UPC. I understand and acknowledge that this Release discharges UPC from any and all liability or any claim that I may have against UPC with respect to bodily injury, personal injury, illness, death, or property damage that may result from the services I provide to UPC or occurring while I am providing volunteer services.
