2018 Indonesian Mission Trip

Are you up for an adventure? Interested in a life changing experience? Do you want to expand your faith, serve overseas, and encourage disciples from half way around the world? This summer, the Cleveland Church will be sending members to serve our sister churches in Indonesia and we would like to encourage YOU to join us!

Scholarships are available to any disciple in the church who would like to be on the mission trip. The 12 day trip will include a long weekend in Jakarta, worshipping with the church. You will visit other churches on the main island, attending different Bible Talks as you get to know the Indonesian disciples. You will serve the poor by both visiting our HOPE orphanage and participating in the HOPE Saturday academy in one of the poorest villages of Indonesia. You will also be flown to a smaller Indonesian island to visit with one of the churches that Cleveland directly supports! There will also be a designated time to enjoy some of the most beautiful beaches in the world. Throughout the trip, you will be staying at disciples' homes and will be escorted by members of the local church.

The estimated cost of the trip will be \$1400-\$1800 per person (we are aiming for \$1400). There is scholarship money available and will be divided equally among the members to help offset these costs. If you are interested, please contact Ryan Painter right away by email (ryanapainter@gmail.com) or phone (216) 512-9218. We hope to assemble the team by February 1st. Please join us in prayer for an incredible mission trip!
