

The term “charisma” is used in 1 Corinthians and in other passages to refer to the gifts of the Holy Spirit; among them are word of wisdom, word of knowledge, faith, healing, miracles, prophecy, discernment of spirits, tongues and interpretation of tongues. There are numerous other gifts of the Spirit mentioned in the other letters of St. Paul. We believe that these gifts are still available to the Church for ministry and witnessing. We, at St. David's, believe and make ourselves available to the ministry of the Holy Spirit today.
