Overview of Crestview Baptist Church's Safety System

Because we desire to protect children involved in our ministry, Crestview Baptist Church requires all staff members, Deacons, and volunteers working with children, youth, adults, and other vulnerable populations to complete a **FOUR SAFETY STEPS** before ministry work or volunteer placements begin.

STEP ONE: Sexual Abuse Awareness Training

Crestview Baptist Church policies and procedures require that staff members, Deacons, and volunteers avoid abusive behavior of any kind. Staff members, Deacons, and volunteers are required to report any policy violations to a supervisor. Staff members, Deacons, and volunteers should have a basic understanding of the characteristics of sexual abusers and their behaviors in 'grooming' a child for sexual abuse. Grooming is the process used by an abuser to select a child, win the child's trust (and the trust of the child's parent or 'gatekeeper'), manipulate the child into sexual activity and keep the child from disclosing the abuse.

To equip staff members, Deacons, and volunteers with information necessary to recognize abuser characteristics and grooming behavior, Crestview Baptist Church requires all staff members, Deacons, and volunteers to complete sexual abuse awareness training. This training will be renewed every two years.

STEP TWO: Screening Process

Staff members, Deacons, and volunteers working or serving with children, youth, or adults are required to complete Crestview Baptist Church's Screening Process, which includes:

- an Employment Application (employees only);
- a Serving Application (volunteers only);
- a face-to-face interview (employees and volunteers); and
- references to be checked (employees)

*A volunteer must attend Crestview Baptist Church for **six months** before being eligible to serve in positions providing ministry services to children or youth.

STEP THREE: Policies & Procedures

Staff members, Deacons, and volunteers are required to review the policies contained in this manual and sign the last page indicating that he or she has read and understood the material and agrees to comply with policy requirements.

STEP FOUR: Criminal Background Check

Crestview Baptist Church requires that all staff members, Deacons, and volunteers working or volunteering in children, youth, and adult activities undergo a criminal background check. Depending upon the ministry position, differing levels or intensity of criminal background check may be required.

Children & Youth Safety Policy

ABUSE TOLERANCE

Crestview Baptist Church has a **zero tolerance for abuse** in ministry programs and ministry activities. It is the responsibility of every staff member, Deacon, and volunteer at Crestview Baptist Church to act in the best interest of all children in every program.

In the event a staff member, Deacon, or volunteer observes any inappropriate behaviors (i.e. policy violations, neglectful supervision, poor role-modeling, etc.) or suspected abuse or neglect (physical, emotional, or sexual) it is that individual's responsibility to immediately report their observations to the Pastor, Deacon Chair, or Supervisor.

REPORTING SUSPICIOUS OR INAPPROPRIATE BEHAVIORS

Crestview Baptist Church is committed to providing a safe, secure environment for children and their families. To this end, any report of inappropriate behaviors or suspicions of abuse or neglect will be taken seriously and will be reported, in accordance with this policy and state law, to Child Protective Services, or another appropriate agency.

Because sexual abusers 'groom' children for abuse, it is possible a staff member or volunteer may witness behavior intended to 'groom' a child for sexual abuse. Staff members and volunteers are asked to report 'grooming' behavior, policy violations, or any suspicious behaviors to the Pastor, Deacon Chair, or Supervisor.

ENFORCEMENT OF POLICIES

Crestview Baptist Church staff members and volunteers who supervise other staff members or volunteers are charged with the diligent enforcement of all Church policies. Violations of these policies are grounds for immediate dismissal, disciplinary action, or reassignment from ministry positions for both volunteers and staff members. Final decisions related to policy violations will be the responsibility of the Pastor, Personnel Committee, and Deacons.

Reporting Abuse or Suspicions of Abuse

REPORTING VIOLATION OF POLICY

All questions or concerns related to inappropriate, suspicious, or suspected grooming behavior should be directed to an immediate supervisor in the ministry area.

CONSEQUENCES OF VIOLATION

Any person accused of committing a prohibited act or any act considered by the church to be harmful to a child will be immediately suspended from participation in church ministry. This suspension will continue during any investigation by law enforcement or Child Protective agencies.

Any person found to have violated this policy may be prohibited from future participation as a staff member or volunteer in all activities and programming involving children, youth, and adults at Crestview Baptist Church. If the person is an employee, such conduct may also result in termination of employment from Crestview Baptist Church.

Failure to report a policy violation is grounds for termination of an employee. Volunteers who fail to report a policy violation may be restricted from participation in any future activities involving children, youth, and adults at Crestview Baptist Church.

REPORTING SUSPICIONS OF ABUSE TO LAW ENFORCEMENT AGENCIES

Staff members, Deacons, and volunteers at Crestview Baptist Church are required to report suspicions of child abuse or neglect, or any inappropriate behavior of a colleague or co-worker, to the immediate supervisor of the area, the Pastor, Children's Minister/Director, or Youth Minister/Director.

Texas law requires that any person who has cause to believe that a child has been adversely affected by abuse or neglect must immediately make a report to the appropriate law enforcement agencies or Child Protective Services.

A *professional* who has cause to believe that a child has been *or may be* abused or neglected must make a report no later than 48 hours after the professional first suspects that the child has been or may be abused or neglected and may not delegate to or rely on another person to make the report.

Under Texas law, a "professional" includes any individual who is licensed or certified by the state, and who, in the normal course of his or her duties for which licensure is required, has direct contact with children.

Professionals include:

- *Teachers or daycare employees,
- *Nurses, doctors, or employees of a clinic or health-care facility that provides reproductive services,
- *Juvenile probation officers or juvenile detention or correctional officers.

In addition, a staff member or volunteer must make a report if he or she has cause to believe that an *adult* was a victim of abuse or neglect as a child, and the staff member or volunteer determines in good faith that disclosure of the information is necessary to protect the health and safety of *another child*. They can call or report online at:

Windcrest Police Department: 210-655-2666

Texas Department of Family and Protective Services: 1-800-252-5400

www.TxAbuseHotline.org

The person making a report must identify, if known:

- *The name and address of the child,
- *The name and address of the person responsible for the care, custody, or welfare of the child, and
- *Any other pertinent information concerning the alleged abuse or neglect.

A staff member or volunteer *may* report to an immediate supervisor, Pastor, Children's Minister/Director, or Youth Minister/Director, and allow supervisory personnel to make the appropriate report to law enforcement agencies. In no way is any provision in this policy meant to discourage any staff member or volunteer from *personally* reporting a suspicion of abuse or neglect to the appropriate law enforcement agencies.

Staff members and volunteers are required to verbally report an incident to supervisory staff as soon as possible after the incident. After receiving a report from a staff member or volunteer in Children's or Youth Ministry, the Children's Minister/Director, Youth Minister/Director, or Pastor will speak with the person or volunteer to whom the child spoke in order to get detailed information about the entire conversation. The Pastor will be notified as soon as reasonably possible, and with the Children's Minister/Director, Youth Minister/Director, or Deacon Chair will inform the appropriate law enforcement agencies or Child Protective Services.

RESPONSE TO REPORT OF ABUSE

Crestview Baptist Church Leadership will take appropriate action on behalf of the church when a report of abuse occurs.

In the case of an allegation of child abuse during a program, activity or event of the church, the church staff shall promptly and confidentially notify the parents or legal guardian of the preschooler, child, or young person involved.

If the alleged abuser is a family member, Church staff will only contact the proper authorities and not the family.

In the case of an allegation of child abuse during a program, activity or event of the church by a volunteer of the church, the church staff and appropriate church leadership shall take all reasonable steps to reach out to the possible victim and or the accused and their families to provide the love and support through the difficult transition.

Children and Youth Ministry Staff Monitoring Plan

Monitoring of staff members and volunteers will include regular (announced and unannounced) visits in each program to provide supervisors the opportunity to observe staff member and volunteer interaction with children.

1. **Each supervisor** conducts an unscheduled observation at least once each week for programs that occur weekly.
2. **Children's Minister/Director and Youth Minister/Director** will conduct written performance evaluations annually for individuals in paid staff positions.
3. **Children's Minister/Director and Youth Minister/Director** will conduct periodic verbal performance evaluations that address participation in risk management training and adherence to risk management procedures.
4. **Children's Minister/Director and Youth Minister/Director** will conduct quarterly training for volunteers and paid staff focused on Children and Youth Policy and Procedure.

5. **The Pastor** meets with the Children’s Minister/Director or Youth Minister/Director at least once a quarter to discuss Children and Youth Ministry safety training and procedures.
6. **Children’s Minister/Director and Youth Minister/Director** conducts an unscheduled observation at least once each month for programs occurring weekly.

BUILDING SAFETY

The Children’s Minister/Director will be responsible for ensuring that the Children’s Building is monitored during Sunday classes or programming. This will include unobserved monitoring of staff members, volunteers and children in children’s classrooms.

No child will ever be left unattended in the Children’s Building or on the children’s playground during children’s ministry programming or classes. Children’s Ministry and Youth Ministry staff members or volunteers are prohibited from being alone with an individual child or youth in any room or building. In the event a staff member or volunteer finds himself/herself alone with a single child or youth, that staff member or volunteer will take the child or youth to a room or building occupied by others, or to a location easily observed by others. (Example: if a child is the last in a class to be picked up by a parent, move to an adjoining room where other staff members or volunteers are present.)

After every programming event, Children’s Ministry and Youth Ministry staff members and volunteers must ensure every room and restroom is checked prior to leaving.

On the children’s playground, staff members and volunteers are to circulate, watching children during play periods, giving particular attention to the areas not easily seen from all viewpoints. (Example: under slides, in corners, behind structures).

Any two children together in an unseen or less easily viewed area should be redirected to another (more open) area of the playground.

WORKER TO CHILD RATIOS

Crestview Baptist Church is committed to providing adequate supervision in all Children’s Ministries programs. Accordingly, the following worker to child **minimum ratios** will be observed:

Program	Workers	Children
Nursery	2	8
Preschool, 2 and 3 years old	2	12
Preschool, 4 and 5 years old	2	18
Elementary	2	20
VBS	2	20

If a worker is ‘out of ratio’ it is his or her responsibility to immediately notify the program supervisor. Supervisors will make diligent efforts to find substitute workers to immediately bring worker to children ratios into compliance with Church policy.

STAFF TO STUDENT RATIO

Crestview Baptist Church is committed to providing adequate supervision in all Student Ministry activities and programs. Accordingly, the following ratios will be observed for Student Ministry activities and programs:

For groups up to and including 10 students, there will be at least 1 staff member or volunteer supervising. For groups ranging from 11 to 29 students, there will be at least 2 staff members or volunteers supervising. For groups larger than 30 students, there will be at least 3 staff members or volunteers supervising.

If a worker is out of ratio it is his or her responsibility to immediately notify supervisory staff responsible for the program or event. The responsible supervisory staff member will make diligent effort to immediately bring staff member/volunteer to student ratios into compliance with this policy

DISCIPLINE

It is our policy that staff members and volunteers are prohibited from using physical discipline in any manner for behavioral management of children. **No form of physical discipline is acceptable.** This prohibition includes spanking, slapping, pinching, hitting, biting or any other physical force as retaliation or correction for inappropriate behaviors by children. Children are to be disciplined using time-outs and other non-physical methods of behavior management. In employing this procedure, staff members and volunteers should observe the following guidelines:

- 1) Verbally redirect the child before physically intervening. With younger children some physical redirection may be necessary (for example, removing a toy from the hands of a child that is hitting another).
- 2) If the behavior does not cease, remove or direct the child away from the group to a corner of the room where the group is meeting (avoid being alone with the child).
- 3) Provide the child with a simple, understandable reason for the time-out, and provide the child with clear explanation of your expectations. (“Jamie, you didn’t stop hitting Chris when I asked you to, so you need to sit quietly in the blue chair for three minutes.”) In addition, be verbally reassuring, as being removed from the group will likely upset the child. Do not physically hold a child in time-out.
- 4) Provide the child with a chair to sit in or a “spot” to sit on (using a pillow, blanket, carpet square, etc.) until their time-out is complete.
- 5) Follow the rule of thumb that a time-out is ineffective if it lasts longer than one minute for every year of the child’s life (3 years old, 3 minutes).
- 6) Monitor the child through the entire time-out without giving your undivided attention. For longer time-outs give intermittent praise to reassure the child and keep them on task. (“Jamie, you’re doing a great job of sitting quietly – just 2 more minutes.”)

- 7) Praise the child once he or she has completed the time-out and tell them that their reward is being able to rejoin the group. Remind them that repeating their initial behavior will result in further time-out. Follow this with praise.

Uncontrollable or unusual behavior should be reported immediately to parents and the appropriate supervisor.

BATHROOM SUPERVISION AND ASSISTANCE GUIDELINE

Nursery children

Because nursery children may require complete assistance with their bathroom activities, all staff members and volunteers will observe the following policies:

Diapering

- 1) Only female nursery workers or the child's parent or legal guardian will undertake the diapering of children of either sex.
- 2) Changing of diapers should be done in plain sight of other nursery workers.
- 3) Children will never be left unattended on changing tables.
- 4) Any special instructions given by parents leaving children in nursery will be recorded on the registration cards ("Seth Adams has a medicine in the bag for rash.")
- 5) If diaper ointment needs to be applied, a signed permission slip from the parent is required. Diaper ointment must come in original container. If not, ointment cannot be applied by.
- 6) Children should be re-diapered and re-clothed immediately upon the completion of changing their soiled diaper.
- 7) Children should be changed on changing stations only.

Toilet training

- 1) No child will be forced to toilet train.
- 2) Only female nursery workers or the child's parent or legal guardian will participate in toilet training efforts with children of either sex.
- 3) When children are taken into bathrooms the door will be left partially open.
- 4) Young children will never be left unattended in bathrooms.
- 5) Parents should be consulted on each child's progress in the toilet training process before leaving the child with volunteers or staff members. Any special instructions given by parents leaving children in the nursery will be recorded on the registration card ("Georgia can use the toilet, but she needs to be reminded – ask her if she needs to go.").
- 6) Children should be verbally assisted where possible. If physical assistance is necessary, another staff member or volunteer should be present, when possible.
- 7) "Accidents" should be handled by reassuring the child and completing the changing of diapers or underwear and clothing. Extra clothing and diapers are available in the children's area, if the parent has not furnished a clothing change.

School age children

School age children may be accompanied to the restroom for supervision and assistance when needed. Children should receive the minimum amount of assistance needed based upon their individual capabilities. Staff members and volunteers should never take a lone child to the restroom.

If a staff member or volunteer must go into the restroom to check on an individual child, he or she should seek out another worker to accompany him/her. If another worker is not available to accompany, he/she should go to the exterior bathroom door, knock, and ask if the child needs assistance. If the child requires assistance, the worker should leave the exterior bathroom door open when entering the bathroom area and try to verbally assist the child in completing their activities, while the child remains behind the door of the bathroom stall. Any assistance with the straightening or fastening of garments should be done in the presence of another staff member or volunteer.

Special Needs

Parents will offer instruction to staff members or volunteers to change the diapers of special needs individuals. After the age of 4, parents or legal guardians will change all special needs individuals.

INTOXICANTS

Staff members and volunteers are prohibited from the use, possession, or being under the influence of alcohol or any illegal drug while in any church facility, while traveling with children, or while working with or supervising children during any Crestview Baptist Church program or activity.

MEDICATION

A staff member or volunteer may not administer medication to any child while serving in Children or Youth Ministry.

NUDITY

Staff members and volunteers serving in Children and Youth Ministry should never be nude in the presence of children in their care. In the event there is a situation that may call for or contemplate the possibility of nudity (i.e. changing clothes during a pool party, weekend or overnight retreat, etc.), the staff member or volunteer leading the event will submit a plan to the Children's Minister/Director or Youth Minister/Director concerning arrangements for showering or changing clothes.

ONE-TO-ONE INTERACTIONS WITH CHILDREN

Staff members and volunteers should never conduct one-to-one, unobserved meetings or interaction with children while participating in Children's Ministry activities or programs. Another trained, screened adult should always be present.

ONE-TO-ONE INTERACTIONS WITH STUDENTS

Crestview Baptist Church recognizes that meeting the emotional needs of students may occasionally require staff member and volunteers to minister to them on an individual basis. Staff Members and volunteers should observe the following guidelines when interacting with students.

INDIVIDUAL MEETINGS

Staff members and volunteers should conduct one-to-one meetings with an individual student at a time when others are present and where interactions can be easily observed, unless prior approval is obtained from the Student Minister.

If a closed-door meeting must occur, the student staff member must inform another staff member BEFORE the meeting occurs, and the door remains unlocked.

TRANSPORTATION

Staff members and volunteers may from time to time be in a position to provide transportation for children or youth. The following guidelines should be strictly observed when workers are involved in the transportation of children:

1. Children and youth should be transported directly to their destination. Unauthorized stops to a non-public place should be avoided. Staff members and volunteers should avoid transportation circumstances that leave only one child in transport.
2. Staff members and volunteers should avoid physical contact with children and youth while in vehicles.
3. No cell phones may be utilized by the driver while driving Church vans, or vehicles owned or rented by Crestview Baptist Church, unless in an emergency.
4. No drivers under age 25 may drive Church-owned or rented vehicles.

PARENTAL CONTACT

Parents who leave a child in the care of Crestview Baptist Church staff members and volunteers during church services or activities will be contacted if a child becomes ill, injured, or has a severe disciplinary problem while participating in Children or Youth Ministry programs.

PARENTAL INVOLVEMENT

Parents have an open invitation to observe all programs and activities in which their child is involved. However, parents who desire to participate in or have continuous, ongoing contact with their child's program will be required to complete the Church's volunteer application and screening process.

PHYSICAL CONTACT

Crestview Baptist Church is committed to protecting children in its care. To this end, Crestview Baptist Church has implemented a 'physical contact policy' that promotes a positive, nurturing environment while protecting children. The following guidelines are to be carefully followed by those working in Children and Youth Ministry programs:

1. Hugging, pats on the back and other forms of appropriate physical affection between staff members or volunteers and children are important for children's development and are generally suitable in the church setting.
2. Inappropriate touching and inappropriate displays of affection are forbidden. Any inappropriate physical contact, touching or displays of affection should be immediately reported to an immediate supervisor, or the Pastor.
3. Physical contact should be for the benefit of the child, and never be based upon the emotional needs of a staff member or volunteer.

4. Physical contact and affection should be given only in observable places or when in the presence of other children or youth, or Children or Youth Ministry staff members and volunteers. It is much less likely that touch will be inappropriate or misinterpreted when physical contact is open to observation.
5. Physical contact in any form should not give even the appearance of wrongdoing. The personal behavior of staff members or volunteers in Children and Youth Ministry must foster trust at all times. Personal conduct must be above reproach.
6. Do not force physical contact, touch or affection on a reluctant child or youth. A child's preference not to be touched must be respected.
7. Staff members and volunteers are responsible for protecting children and youth under their supervision from inappropriate or unwanted touch by others.
8. Any inappropriate behavior or suspected abuse must be reported immediately to an immediate supervisor, or Pastor.

SEXUALLY ORIENTED CONVERSATIONS

Staff members and volunteers are prohibited from engaging in any sexually oriented conversations with children and are not permitted to discuss any inappropriate or explicit information about their own personal relationships, dating or sexual activities with any child in the program, on church property or off church property. However, it is expected that from time to time Student ministry discussions and lessons may address issues related to purity, dating, sex and human sexuality. These lessons will occur in group settings and will convey the church's views on these topics.

SEXUALLY ORIENTED MATERIALS

Staff members and volunteers are prohibited from possessing (or transmitting to a child) any sexually oriented materials (magazines, cards, images, videos, films, etc.) on church or off property or in the presence of children in their care.

SLEEPING ARRANGEMENTS

It is anticipated that certain Children and Youth Ministry activities may occasionally require that overnight sleeping arrangements be made for students and staff members and volunteers (i.e. lock-ins, mission trips, ski trips, etc.). In the event an activity requires sleeping arrangements, staff members and volunteers will strictly observe the following rules:

1. The 2-adult rule must be followed; a single student should not be alone with a staff member or volunteer.
2. All adult leaders must have previously completed the Church's screening and training process.
3. Overnight sleeping arrangements must be submitted in writing to and approved by the appropriate ministry supervisor prior to the activity.

4. As long as any students are awake, one trip leader must be awake and monitoring students to ensure safe behavior.
5. Leaders should check with parents and use good judgment regarding PG or PG-13 movies. No R-rated movies are permitted.
6. Appropriately modest sleeping attire must be worn; both tops and bottoms.
7. In the event of a sleepover on campus that involves both boys and girls, boys and girls must sleep in separate rooms, properly supervised by student leaders of the same gender.
8. Staff members and volunteers will monitor sleeping students by periodically conducting visual bed checks to ensure that sleeping students remain in designated sleeping places. During bed checks, staff members and volunteers should never physically touch a student.
9. Whenever possible, at least one staff member or volunteer will sleep in the same room (but not same bed) as students, or in an adjoining room with the door between the rooms kept open.
10. In the event that overnight arrangements do not include standard beds, each staff member, volunteer, and student will use single sleeping bags or blankets. In these instances, a “one-person-to-one bag or blanket” rule will be observed.

TOBACCO USE

Crestview Baptist Church requires staff members and volunteers to abstain from the use or possession of tobacco products in church facilities, while in the presence of children or their parents, or during Crestview Baptist Church activities or programs. Crestview Baptist Church is a tobacco-free facility.

VERBAL INTERACTIONS

Verbal interactions between staff members or volunteers and children should be positive and uplifting. Staff members and volunteers should strive to keep verbal interactions encouraging, constructive, and mindful of their mission of aiding parents in the spiritual growth and development of children and youth.

To this end, staff members and volunteers should not talk to children or youth in a way that is or could be construed by a reasonable observer as harsh, threatening, intimidating, shaming, derogatory, demeaning, or humiliating. In addition, staff members and volunteers are expected to refrain from swearing in the presence of children and youth.

RELEASE OF CHILDREN

At any time that a child has been entrusted to Children or Youth Ministry staff members or volunteers, the Church incurs responsibility for the safety and welfare of the child. Staff members and volunteers must act to ensure the appropriate supervision and safety of children in their charge.

Children's Ministry staff members or volunteers are responsible for releasing children in their care only to parents, legal guardians, or other persons designated by parents or legal guardians at the close of services or activities.

It is presumed a person who drops off a child has authority to pick up that child.

In the event that staff members or volunteers are uncertain of the propriety of releasing a child, they should immediately locate or contact their immediate supervisor or the Children's Minister before releasing the child.

SUPERVISION

Staff members and volunteers in Children and Youth Ministry are expected to provide adequate supervision for children in their care while working in church programs.
