To secure your child's enrollment, complete the enclosed registration form and return it to the school office promptly. Please list all returning students, as well as any new siblings we will be welcoming for next year.

Our school offers financial aid and scholarship programs to assist families with the cost of tuition. Tuition assistance through the Racine Parental Choice Program for the 2018-19 year is available for families who meet the income and residency requirements. The applications for the Racine Parental Choice Program (RPCP) and FACTS Tuition Management will be available on the school's website beginning February 1, 2018. Both applications are offered in digital format only.

A non-refundable tuition deposit of \$50.00 per student or \$100.00 per family is required to complete the registration process. This fee will be applied to each family's tuition for the coming school year.

Please complete and return the enclosed family registration form to the school office by January 25th to guarantee your child's admission for 2018-2019. Tuition contracts, which include the non-refundable tuition deposit, will be available on the school's website and sent home to families no later than January 25, 2018 with a due date of February 28, 2018. We are grateful for your continued confidence in our school and look forward to serving you in the year ahead!

If you have any questions about registration, please do not hesitate to contact the school office or the Siena Schools Admissions team at 262-833-5517. We would be happy to assist you.
