

## DECISIONS ABOUT BUDGET

1. Once budget adopted, all staff reports to Senior Pastor for ministry spending and purchases in their areas.
2. Any need to go over budget goes back to Stewardship Committee through the Senior Pastor.
3. No one on staff reports to a committee, but to the Senior Pastor.
4. Pastor appoints a staff "point person" for
  - Worship service
  - Technology
  - Website
  - Communication
  - Youth
  - Children
  - Missions
  - Local missions
  - Adults
  - Outreach/Special Events
  - Membership
  - Prayer
  - Care
  - Sports
  - Facilities

The Senior Pastor himself and other full-time staff have multiple areas. Gradually each area will be responsible for a budget figure.

5. That point person on staff must stay within his or her budget line, and is responsible to the Senior Pastor for doing that.
6. The Senior Pastor is responsible to the Stewardship Committee for total staff staying within budget.
