

Leaders' Agreement

A personal commitment by leaders or teachers in our church to help with unity and teamwork in the ministry of Christ

For ministry period, _____ to _____

Understanding the need for church unity and teamwork, I pledge the following basic needs for all who lead:

CHURCH UNITY AND TEAMWORK

I will honor guidelines and goals of our leaders in our ministry. Count on me to serve in the spirit of Philippians 2:1-4 with my co-workers. I will take any criticism to the person criticized and seek to influence others to be full of care.

CHURCH INVOLVEMENT

I and our family, as much as I can influence all of them, will be faithful to attend worship services, faithful in systematic giving to our church, and when possible in participation in a community group.

CHURCH STATEMENT OF FAITH

I will not teach or try to influence people contrary to our statement of faith and our convictions as a church. I will teach and lead in support of that statement.

PERSONAL INFLUENCE

I will be careful to be exemplary in my choices of habits, entertainment, and in eating and drinking, doing all in faith to build others — with a clear conscience for the glory of God!
