GRACE ACADEMY

With the grand opening of the **Grace Fitness Center** approaching on **Homecoming night** (Oct.5), one of things for which we are most grateful is the fact that this facility will be paid for in full when it opens! The generosity of more than 200 donors, including church members, has made this possible. While this goal has been accomplished, other financial needs recur on an annual basis. Among the greatest of these is **aid for students** in dire financial need. Please pray for and consider supporting the BRIDGES of GRACE Annual Fund that makes it possible for these students to remain a part of our Grace family!
