"Recovering Redemption"

The Bible is clear from the beginning that God intends for His people to experience life abundantly. So why are things such a mess—even for Christians? In this study, Matt Chandler gets to the root of brokenness and our destructive patterns of behavior. With relentless grace, Matt unpacks true repentance and the doctrines of justification, adoption, and sanctification with remarkably practical application. It's time to start living like we believe in the ongoing power of redemption.
