

Communion

The elements we use on Sunday are red juice and crackers. Traditionally they would be unleavened bread and a wine.

If you want to do communion as a family, on your own, here are some texts regarding communion:

1 Corinthians 11:17-34

Matthew 26:26-29

Luke 22:14-23

I would encourage you to follow the pattern set by Jesus in this text. At times we find patterns helpful in keeping our focus on the right stuff.

God Bless
