Grace Home is dedicated to providing Christ-Centered support and safe housing to women who find themselves in an unsupported pregnancy and choose life for their baby.

They provide the tools necessary to make positive life changes for mother and baby. They have a team committed to support the journey of healing and restoration for each woman that comes to Grace Home.

We ask that you prayerfully consider volunteering. There are many areas of need including:

- Teaching: anything from how to make cookies to car maintenance
- Media: helping with their newsletter or social media
- Transportation: provide rides to doctor appointments or job interviews
- And MANY others

Visit their [website](#) or contact the [church office](#) for more information.

Thank you, Kara Polk, for 17 years of dedication to the preschool children at TBC! Your service is a blessing to our families!
