

## What's Happening at FCC:

### Sermon-based Discussion Questions Available

Sermon-based discussion questions will be available on Mondays for Life Groups and personal study. Groups meeting Sunday evening should contact Brian Henry at [henry@kenoshafcc.com](mailto:henry@kenoshafcc.com) to receive them early.

### What's a Life Group?

Life Groups are small groups of people that share life together and bring life to others! They meet together (preferably weekly in homes), to develop friendships, help one other move closer to Jesus, and together make a difference in their community and neighborhood. Interested? Stop by the Next Steps in South foyer, go to Groups at [kenoshafcc.com](mailto:kenoshafcc.com) or contact Brian Henry at [henry@kenoshafcc.com](mailto:henry@kenoshafcc.com).

### The Huddle

#### A gathering for ALL FCC VOLUNTEERS Sunday, February 10 from 4-5:30pm

The Huddle is one of the most valuable things you can have on your calendar!

You will get the chance to hear about what God has been doing through FCC, spend time with other volunteers, learn more and gain some valuable insights.

The Huddle will have four breakout sessions based on **how to communicate better**

- at home
- at work
- at church

The breakout sessions will focus on non-verbal cues, how to be more effective at helping people, and how to be more comfortable speaking in front of others.

Also, if you have never been to The Huddle, there is a breakout session just for you!

Doors open at 3:45pm, the program begins at 4. Snacks and childcare (birth-4th grade) provided. We can't wait to see you there! **RSVP by FEBRUARY 6, contact the office at 262.857.4743** or click the link in the email you have received from your team.

### SOUPER Bowl Sunday

Did you know that the Shalom Center in Kenosha uses almost two tons of food a day feeding the homeless and other families in need? If you would like to support this mission and help to continue their work, we encourage you to drop a cash or check donation (made out to the Shalom Center) into the soup kettles on your way out of the auditorium today. Thank You!
