March 18

There are a lot of ideas and opinions about what baptism is, what baptism does, how we are baptized and who is supposed to be baptized. But what does the Bible have to say about it? On March 18, join us for worship at 9am then at 10:30 Brian Henry will meet with anyone interested in a discussion on various scriptures regarding baptism and answer any questions you may have, like: how do you know if you are ready, what if you were baptized as a baby, should you baptize your children, does it really matter, and more.

We then invite you to **Baptism Sunday on March 25**. If you have been putting this off for a while or want to be baptized, this is the day! Please sign-up on the Connect Card or at if you want to attend the Baptism Discussion on March 18, or if you want to talk with someone about being baptized on March 25
